Helping Hands Food Drive

This year the TVMS Student Council requested help in collecting non-perishable food items for Helping Hands in Mentone. The first period class who collected the most food items would receive a free breakfast courtesy of the TVMS Student Council.

TVMS students came together and collected 1,864 items for Helping Hands. Mr. Sprunger's class came in on top, having donated 464 total items. Way to go TVMS!

Right: Student Council sponsor Mrs. Grossman and student Arika Warren collect food from classrooms.

Above: Mr. Sprunger can't figure out where all this food is coming from!

Right: 7th graders Jacob Eherenman and Landon Brainard help support the food drive.

Above: Students from Mr. Hinkle's 1st period brought in a lot of canned goods for the food drive.

Above: 7th grade student Allison Grace shows off the food she brought to school to support the canned food drive.

On February 16th and 17th, motivational speaker Jeff Yalden delivered a dynamic and entertaining presentation to TVMS students about teen depression and suicide.

On the second day of Jeff Yalden's presentation, 8th grade student Maci Bautista gave an amazing yet eye-opening testimony of her struggles with depression.

"I wanted to put my story out there so that people knew they weren't alone if they were having those feelings."

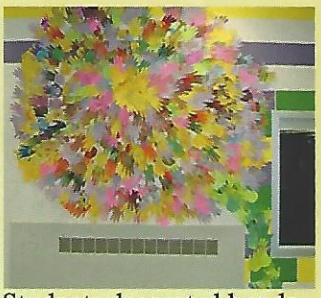
Rachel's Challenge

Rachel's Challenge, a nationally known organization which is dedicated to creating safe, connected school environments, presented their program to TVMS students in September. Rachel's Challenge was created in honor of Columbine tragedy victim, Rachel Joy Scott.

A small group of TVMS students and staff participated in a small group session in the afternoon.

Rachel's Challenge speaker Michelle Gibson presented the program to TVMS students and staff



Students decorated hands with the Rachel's Challenge goals which were used to create this design.

TVMS students and staff who accepted Rachel's Challenge could sign the banner hanging in the commons. Here, 8th grade student Sarah Myers signs the banner.

Rachel's Challenge speaker Michelle Gibson talks with 7th grade student Mariah Miller after the program.

TVMS Viking Time

In November, TVMS implemented a club/activity period on Wednesdays called "Viking Time". During Viking Time, students could meet for various clubs such as chess club, student council, yearbook club, crochet club, and more. Viking Time also allowed for students to make up missing work and meet with teachers to ask questions or get help. Students not participating in clubs could use Viking Time for reading.

Right: 8th grade students McKenzie Dunn and Brooke Gothan work together to crochet during Viking Time.

8th grade students Cameron Gearhart and Sierra Marshall work on their ceiling tile.

Members of the 8th grade Friends of Rachel work on submissions for the tile contest.

6th grader Jacob Davis lifts weights during Viking Time.

TVMS students and staff lined the sidewalk to "high five" the Lady Vikings and wish them good luck.

The game was played on Saturday, March 7 at Banker's Life Fieldhouse in Indianapolis. The Lady Vikings were the State Runners-up in the competition.
