

between Little Miami R & Scioto R. for
her ex Res. war soldiers. this was when this
was being made into a state and taken
away from W. Va - which was a part of Va.
Some soldiers rec'd land in Miami. Ross.
Fayette Cos etc. If the Bloomer's - Allen Blues
wifes folks own that Peter Blue farm now I
don't see why we can't find out how he got the
land from his abstract.

Frank, could you get me the will of
Moses Neilans - recorded in Rochester, I believe,
he died Sept 5, 1892. Maybe he didn't have a
will, I don't know. Also can you see if David
Muller's marriage is recorded here. Should be
Mary Louisa Neilans - Wm Edward Blue
married Oct 10, 1878.

I'm working on all family lines at once. when I
read Blue History I can pick out Neilans and
Stromides, and all names connected with each
line. These I eventually put together and perhaps
some day will have not only a family tree but
an orchard as well. I want all the "peaches" on it
so please fill out the "Bybee" paper and return. I think
I'm right about you in putting you where I did.

Sincerely,
Myrtle S. Redwood.
