

161 I have much more to say - but am not  
interested that our Peter is the family - who is the Peter who  
died 1848?

Seeley, Lynsey Blue - in a book at night. I found them  
in a book at an library - that my name is in - East of  
book is on Civil War. Quits - Page 596

Capt. Thurgood captured a second time in 1864. and  
was exchanged only a few weeks before his release. He  
was on "Lullough" with John Dinscup, and were surrounded  
and captured while at Michael Blue's house near  
Springfield.

Lieut. John Blue son of Ganet & Blue  
escaped from Yankees. He had been visiting his parents  
toward the Yankees. Now a marker is being put on the  
house by U.D.C. according to Mary A. Kirk, Romney, W. Va.

Can not find a Margaret Van Meter. Have Wife of  
John & Isaac & there is a Margaret mentioned. Perhaps she  
might be a sister. The Van M's came from New York State thru  
N. J. Maryland, into Virginia. Es. Dinscup locates her in N.Y.  
Rich B. (Blue) Wiley has Margaret Van Meter & John Evans Jr. married  
records in Berkeley Co.

Page 162. I have "Book" records that Capt. John Blue 1740 - was  
twice married. one record said six by each wife the other  
said six by first, four by second.

Page 163. We put additional dates in pencil.  
Did David and wife same day? Orpha says David wife was  
buried in Menton. But the date fit me.

Page 164. On Elizabeth I have b. 2/9/1828. got my records from Pomeroy  
his son. The cemetery records on stone say 5/7/28 at least that is way  
I read - very poor work on some stones.

We turned your page with the corrections and additions.

Give me your record - I mean "Bybee".  
I have listed what I have - right or wrong. Ties in or correct  
and make additions - I want it for the "Family Tree".  
Anything you can give about any of the Blues or their families  
will be appreciated.
