"Don't kiss beside the garden gate. Love may be blind but the neighbors ain't!!!!"

Hi kids! Since we haven't had any gossip for some time we've decided to have a nice "newsy" paper for you this time. Hope you like it. Ed.

Poor Donnagene Dillman has been out of luck since Bertie came down with the mumps. If her cheeks start swelling up we'll know who's to blame, won't we, Donna?

Franklin Scott doesn't have just one girl friend. He likes them all.

Jon C. and Elaine D. are still sort of starry eyed over each other.

I guess Iva June finally got over a certain good-looking man that hangs around this "wonderful" "exciting" schoolhouse.

I wonder if Barbara King is still interested in Max Faurote?

Burket still holds Garwin Eaton's interest. It isn't because of Peggy Tinkey, is it?

Say Wilma Kindig, who are you getting all those letters from? Could it be Robert Leedy?

Lois D. has been going with Gerald S. from Beaver Dam.

Rex Dickey now likes Nancy VanDeWater.

I bet Pat Starr was glad to have Arnold Snipes home for Christmas. How was the vacation Pat?

Can anyone guess who Janet Reed's heart throb is? Come on Janet tell us.

Jackie Ward got a real nice watch from Rod. Gee, I wonder what it will be next year????

It has been reported that Wallace Oyler and Orpha Kurtz are going steady.

Bev Witham was seen with Buck Burt and Sam Summe during vacation.

Roger Creighton has been going pretty steady with Eleanor Hazen from Tipp. Wouldn't some of the Sophomore girls like to get their hands on him. To bad though girls, he's hooked!

It seems as though Charles Urschel and Don Rush are both interested in Rita Olson. Now lets settle this peacefully, boys!!

Who is the girl Devon Marshall has his eye on? It it Janice Nelson???

Say, Colleen just who sent you that musical powder box for Christmas? (Couldn't be an Air Force boy from Texas, could it?)

Jalaine Smythe still has her eye on Bill Blackburn.

Two girls in the seventh grade have received Christmas presents from two certain boys. What about that Janet and June Romine?

Who were you sending a cared to when you were in Chicago, Shirley Gross? Was it Max Shull???

I guess Cloanne Nelson is still Frankei Manwarings ideal.

Duane Eckert had a date with Sue Rickle from Burket a few weeks ago. Why keep it so secret Duane?

"Flash"--Seen talking in library Max Faurote and Dixie Linn.

Ride--em--Cowboy--Bill Blackburn and Ned Witham just walked by dressed as if they had just arrived from the wild, wooly, West! More fun, huh boys?

It seems Marieta Tucker has her eye pealed for Dick Kindig.

Georgis Nicodemus received a "beaut" of a watch from Tubby for Xmas. LaVonne Montel has been getting a lot of fan mail, largely from Meryl Holt.

Janet Reed and Elvin Disher, Marjorie Mollenhour and Bill Blessing were seen double dating Sunday night.

Who is the girl Devon Marshall has his eye on? Could be Janice Nelson.

Jerry Tinkey was recently chosen chauffeur for some of the girls. You certainly weren't lonesome in the Midnight show with all those girls were you, Jerry?

Who's the girl from Etna that Dick Kindig would like to meet? Did you say her name was --- oh that's right you didn't say did you?

Mary Ellen still seems to have a crush on Roger. Well where there's life there's hope.

Who is in the Air Force that Velara Fisher is writing to. Could it be Ernest Conley from Pierceton.

Say Bob B. it is going around that you don't care for the girls. Come on and give us a break.

Barbara L. and Elaine G. can't make up their minds who they want to go with. But give them a little time.

Marjorie Mollenhour sure is thoughtful she remembered to buy Bill something when the Jrs. and Srs. went to Chicago.

Noretta Shively has been seen eyeing Franklin Scott.

Of course Dorene still likes to ride in Davey's ford, providing Davey's driving. (Who Else)

We hear Jerry T. has been making a few trips to Pierceton. If you can't guess why just ask Jerry.

Sarah Urshel still holds Dennis Anderson's interest.
