Agricultural Extension Service
Lafayette, Indiana

Re: Town of Mentone Park.

Dear Mr. Marty:

This is in reply to your letter of January 30, 1958,
concerning the Mentone Park.

Shortly after receiving your layout sketch last
September, I moved from Mentone to Goshen, Indiana. At that
time I delivered the sketch and our previous correspondence
to Mr. Ned Igo, chairman of the Mentone Park Board. I have
no information as to plans formulated or action taken by the
Park Board since that date.

As I am uncertain of the present composition of the
Park Board, I am forwarding your letter to Mr. Forrest D. Miner,
a member of the Town Board, who I am sure will deliver same to
the present chairman of the Park Board.

Very truly yours,

James E. Rodibaugh
