### Apple Ridge Car Show Sept. 11

The third annual Apple Ridge Charity Rumble Car Show will be held Sept. 11 in the Big R shopping plaza parking lot on U.S. 30E. The proceeds of the car show will be donated to 3-year-old Ashlynn Kolesiac of Akron, a brain cancer survivor who has been undergoing chemotherapy and radiation treatments for the past two years.

Jim and Sharon McIntosh, owners of Apple Ridge, are coordinators and sponsors of the car show.

"What an excellent opportunity to showcase the hard work you have put into your 'restored baby' while helping keep this young lady's body restored," said Sharon McIntosh.

In addition to the car show, Echoes from the Past Antique Tractor Club will be featured. The tractors range in age from 1920s to 1960s.

This is a family event with more than \$2,000 in door prizes, raffles, 50/50 drawing, cotton candy, popcorn and much more.

Registration is from 3 to 6 p.m. with awards at 9 p.m. More than 100 cars are anticipated, and all will receive laser engraved wood dashboard plaques.

For more information, contact Jim or Sharon McIntosh at 574-269-5409.

### Bell Memorial Library Awarded Dekko Grant

MENTONE - Bell Memorial Public Library was awarded a grant this summer from the Dekko Foundation. The foundation, whose mission is "to foster economic freedom through education," regards public libraries' work with literacy and access to information as essential building blocks for economic freedom.

"Public libraries' work aligns so closely with that of the Dekko Foundation," said Sharon Beckman, Dekko Foundation program director. "The Foundation wanted to offer libraries an opportunity to address their most pressing needs."

Said Lorna Klein of Bell Memorial Public Library: "It came at just the time that we needed help. Most of the grant will allow Bell to upgrade to wireless and add four public access computers that have been needed."
