## EXPERIENCE

the era of the famous passenger trains. We're more than simply a mode of transport, these trains carried us into a world of grace, romance and mystery. Journey with us back to that magnificent era.

One of our American heritage is still to be found in the luxury, leisure, and charm that were typical of rail travel in the late 1940's.

**HARD**... for one of Indiana's most memorable dining experiences. Make your reservations for a journey that recaptures the tradition of dining while traveling by rail.

Transform an ordinary evening into a special occasion on a special occasion an unforgettable one! Enjoy the comfort and atmosphere of the dining cars and Limited's dining cars. As you dine, the slowly disappearing era when dining was truly our primary pathway to the train, when the fleeting view from the train windows inspired dreams of life in villages and towns stretching beyond the horizon.

*Hoosterland Limited* is equipped for your dining and riding comfort. Board early to enjoy our elegantly restored lounge cars, as well as our classic background music that adds a classic touch to the era past.

Enjoy a leisurely four course dinner in the comfort of our elegantly restored dining cars, during a 2 1/2 hour excursion through some of the most scenic countryside.

*Hoosterland Limited* departs from Rail Road Station in downtown Indianapolis. Boarding for your excursion begins one hour prior to departure. Reservations and departure times are prompt.

## RESERVATION INFORMATION

*The Hoosterland Limited* is available by reservation only. To reserve your excursion, call the Indiana Dinner Train Company at (317) 262-3333. Reservations are confirmed when payment is received. Mastercard and Visa are welcome. Reservations are non-refundable. Reservations may be rescheduled seven days prior to excursion, based upon space availability. Within seven days prior to departure reservations are transferrable, however non-refundable.

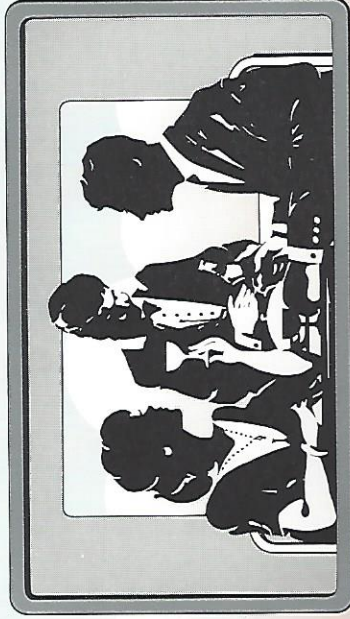

In keeping with railroad tradition, dining car accommodations seat four people per table.

For that romantic evening, a limited number of tables for two are available, at an additional cost.

**Group Rates** are available for parties of 24 or more, and private charters are available upon request. For information, call (317) 262-3333.

Reservations include a round-trip train ticket for the 2 1/2 hour journey, four course dinner with choice of entree, applicable taxes and gratuity on the meal. Cocktails and a selection of premium wines available with dinner, are additional and payable at the end of your excursion.

Boarding tickets for your excursion will be mailed prior to your departure date, time permitting. We recommend reservations be made a minimum of two weeks in advance.

## MENU

After boarding *The Hoosterland Limited*, select your dinner entree from one of three choice chef selections. Enjoy the scenery rolling by as your selections are prepared in our fully equipped kitchen car.

### Prime Rib

A mouth watering, generous cut of properly aged Prime Rib of Beef. A midwestern favorite! The perfect choice for the hearty appetite.

### Seafood

A unique seafood selection, served fresh daily... For more delicate tastes. Our chef's speciality.

### Poultry

A tantalizing, tender, moist poultry, delicately seasoned and roasted to perfection... Satisfy the most discriminating palate.

Your dining experience begins with a first course of home made soup du jour, followed by a crisp green salad, complemented by our special house dressing. Your entree of choice is served with accompanying garden vegetables. The fourth course is a selection from our tantalizing dessert tray, created by our chef to provide a delicious conclusion to your dining pleasure.

(Menu selections subject to seasonal adjustments)
