

Library extends free service

Bell Library in Mentone is happy to extend free library service to persons holding library cards from other libraries who have signed the State Reciprocal Borrowing Agreement. Libraries in our area who have signed the pact are Rochester, Bourbon, Warsaw, as well as Mentone. Patrons from other libraries may borrow any of Bell's materials-for-loan which includes books, recordings, magazines, and pamphlets.

The Reciprocal Borrowing Agreement is a state-wide program which allows patrons in good standing to use libraries throughout the state, regardless of one's residence. The only requirement is that the patron be a citizen of a library taxing area.
