

Friends of the Library donate record browser

The Friends of the Library recently donated a Record Browser to be used in the Bell Memorial Public Library, Mentone. The record browser will hold up to 550 records. Other items that have been donated by the Friends of the Library are: the furnished reading corner, the children's corner, and they recently installed background music for the library. These donations have been made possible through bake sales, food booth at Mentone Day's, bake sales and other

money making projects in the past.

One of the future items that the Friends of the Library are going to be working for is a Display Rack. They hope to raise enough money at their food booth during this year's Mentone Egg Festival to be able to obtain the display rack for the library.

Librarian at the Bell Library is Madeline Fisher and Assistant Librarian is Eileen Bowser.
