

Conversation with Arlo Freeman on Election Day

House on fire where Leonard Smith lives - They (firemen) got water from Levi Eaton's horse tank - took it in milk cans to the fire truck. The hose clogged!. What was wrong? Some of the fish from the horse tank were in it.

(Be sure check details, is your use this)

One time
I'm adding this: when Arlo was fire chief, there was a County Firemen's meeting at Montrose ^a fire. Call came in - someone answered - visitors decided to go along. "When's the fire?" Arlo asked. "At your house," was the reply -

No serious damage

Eaton
