

The Mentone Fire Department consists of between 18 and 20 volunteers all dispatched by telephone and radio.

We have two pumpers, one tanker, one 4-wheel drive grass fire truck and a walk-in emergency truck, all trucks are radio equipped. We are equipped and trained in auto extrication.

The fire department is under the jurisdiction of the Mentone Tri-Twp.

The Fire Control Board which consists of the Town of Mentone president, clerk-treasurer and the three townships that are involved.

Money raised by the Fire Dept. for other than major expenses are raised by the department through fish fries, donations and parking cars at ballgames.

The department also has an antique 1929 Boyer Fire truck which is used as a parade truck and is the pride of the department. It was purchased new by the town of Mentone in 1930.
