# Welcome To TVHS

As usual, the beginning of the 2003-2004 school year at Tippecanoe Valley High School brought about the typical moans and groans associated with the end of summer. But along with the ordinary reluctance to head back into the classroom came a sense of excitement and urgency to get back into the groove of school.

And although the year started out in the usual way, it was far from typical for the students who roam the halls of TVHS daily. This school year brought about successes and failures, joys and sorrows, smiles and tears, good grades and bad grades, wins and losses, and everything in between... and it all happened here. Welcome to TVHS.

# It Must Be Something in the Water...

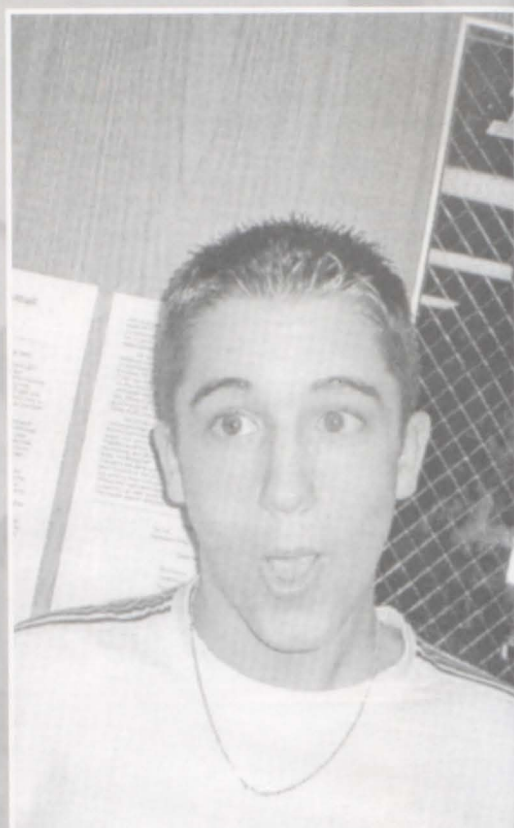

*Sometimes you  
just have to wonder  
what people are  
doing here at  
Tippecanoe  
Valley... and the  
only answer is, "It  
must be something  
in the Water..."*

Luke Scripture does the "Tevye dance" during Up the Down Staircase Blooper. (Below)

Just as winter brings snow, basketball, and cold weather, it also brings the drama club's first production of the year. This time around, the group presented Up the Down Staircase, the touching story of a first year teacher who finds that being in a large public school isn't exactly what she had expected during her days in college.

# Making a Difference.

*Giving back and making a difference are things TVHS students often do. A perfect example is the SGA sponsored Blood Drive, where students and faculty give their time, and blood, for a great cause. 2003 can be chalked up as another successful year for this annual event.*

# Remember THAT day?

*For everyone, there are days that you'll never forget. For many TVHS students, the day of the high school gas leak was one of those days. During SSR, an odd odor filled many of the rooms and halls, causing an all-school evacuation thanks to a gas leak caused by construction. Fourth period was spent outside doing ... whatever. What a day...*

# A Night to Remember

*Making memories is what high school is all about... the big game, the morning routine, the good classes, and the million and one other things you will never forget. For all that attended, prom is one more memory to add to the collection...one more Night to Remember.*

King Matt Eby and Queen Beth Leckrone take a minute to pose for the cameras before re-joining the party.

# Graduation

*Four years of hard work culminated in a special graduation ceremony on May 29 for the senior class of 2004. After the traditional entrance to "Pomp and Circumstance," the ceremony began. Seniors Stuart Jackson, Valerie Drudge, Krysta Kindig, Ashley Lindenmier, and valedictorian Brittany Northcutt addressed their fellow seniors as friends, families, teachers, administrators, and parents watched with pride and excitement. And finally, the class of 2004 received their long earned diplomas and turned their tassels. Congratulations Seniors!*

# Saying Thank You...

*For all you've done...*

*For all the lessons  
you've taught- both  
in and out of books...*

*For all the hours  
you've put in...*

*For all the pats on the  
back...*

*For all the construc-  
tive criticism that  
helped so many  
grow...*

*For all the smiles  
you've shared...*

*For all you've meant  
to so many...*

*For everything...*

THANK YOU...

YOU WILL BE  
MISSED...

The end of the 2003-2004 school year not only brought about goodbyes for the senior class, but also for six well-loved members of the TVHS faculty as well. Those saying goodbye have put in countless years and hours to help both students and fellow staff members alike become better learners, teachers, and people.

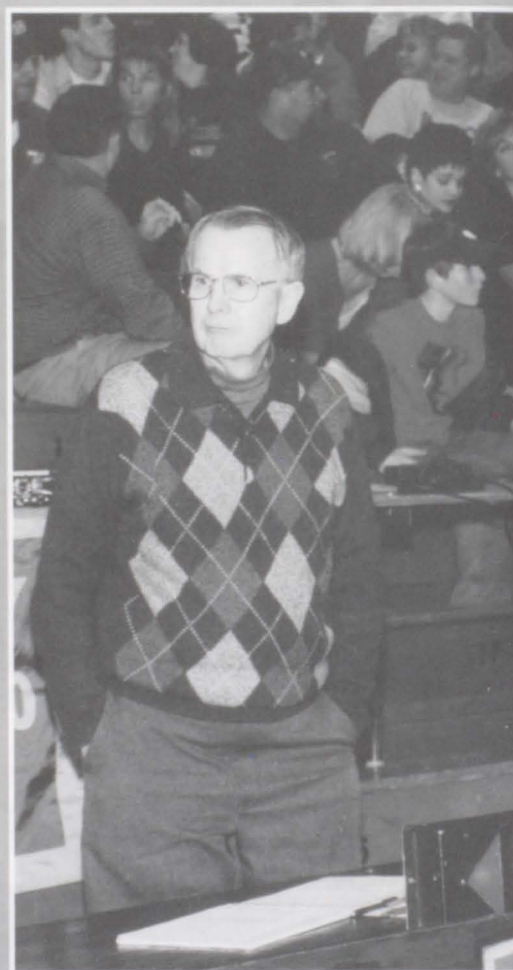

Those leaving the TVHS classrooms for the final time were Mr. Braner, Mrs. Cumberland, Mr. Cumberland, Mr. Doerscher, Mr. Pace, and Mr. Sloan.

It's hard to picture Tippecanoe Valley High School without these familiar faces!

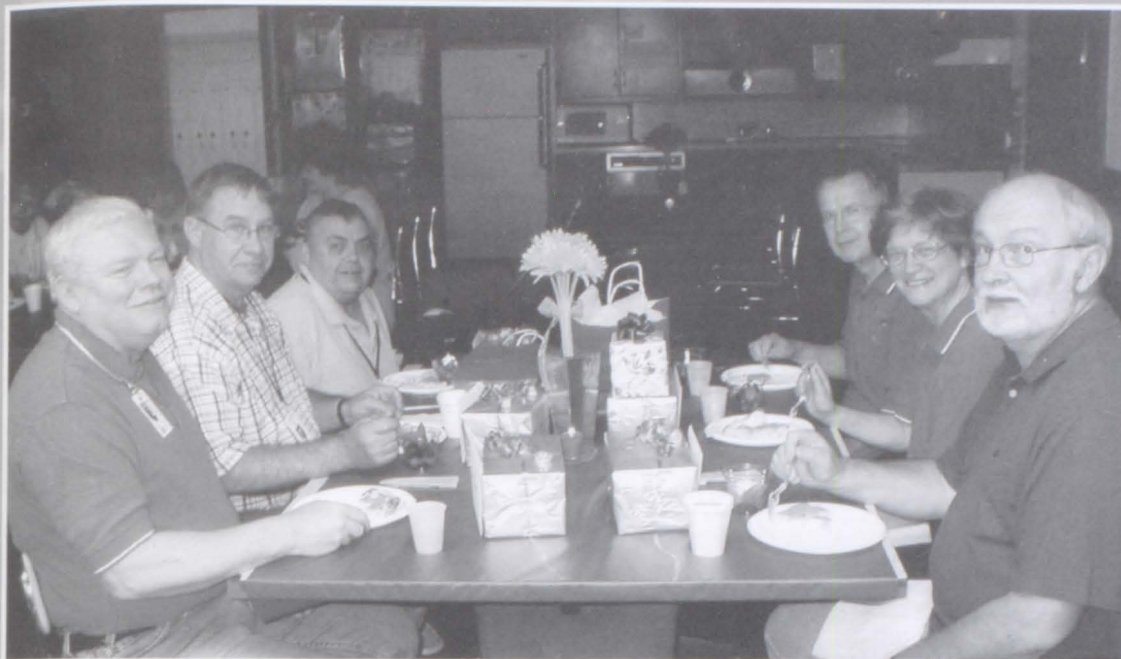

To all of those who are moving on,

Thank You..

It won't be the same without you!.

Individually, several members were honored for their efforts. Cory Vanlaningham was the season's MVP, while Jeff Parker was awarded Mr. Defense. # Challenge Leaders

This year Challenge Leaders did a great job helping new freshman students get acquainted with and transition to our school, as well as assisting new students throughout the year as they came to Valley for the first time. Helped out by Mr. Carmichael and Mrs. Sheetz, the students selected had a huge responsibility of giving new students a good first impression of our school and environment.

Every Tuesday morning at 7am, the TVHS Fellowship of Christian Athletes, sponsored by Mr. Walker, gathers in the Lecture room. Their meetings consist of the usual donuts and juice, but more importantly, praise songs, testimony and scripture lessons, followed by the giant circling up of everyone present to pray for joys and concerns. This is followed by the singing of sanctuary and the team chant "Yeah, God! Boo the Devil!" This year they held a "semi-lock-in," which consisted of a basketball tournament, a concert by Where's John?, and moving prayer walk in the cafeteria. Overall, FCA is an excellent way for the members to show and strengthen their faith.

# FCCLA

The Family, Career, and Community Leaders of America group was sponsored by Mrs. Cumberland again this year. Co-presidents were Krysta Kindig and Ashley Lindenmier, and vice-president was Crystal Grossman. FCCLA participated in a coat and canned food drive with the proceeds benefiting Helping Hands. This small, but dedicated staff of students work throughout the school year, taking pictures, organizing, and creating layouts to create the book you are reading right now. Students are assigned as editors in charge of certain sections of the book and it is their job to make sure there are pictures and information to fill the pages. Consumed with layouts, pictures, clip-art, and page envelopes, the group spent many long hours and late nights to turn out the 2004 Saga! It's not an easy job, but somebody has to do it!

Through skits, videos, and discussions, the mentors stress the importance of abstinence until marriage and make the middle school students aware of the consequences of not abstaining. The members of Peers Educating Peers were selected based on essays they wrote explaining why they would make a good peer mentor. The students were split into groups and assigned a leader, a grade, and a subject matter that they taught two times during the school year.
