The background of the entire page is a black and white photograph of a brick wall. The bricks are arranged in a standard running bond pattern, with light-colored mortar joints. The lighting is slightly uneven, giving the wall a textured appearance.

Under Construction

*2004-2005 is a year of change for
Tippecanoe Valley High School*

TVHS this year was all about change.

Changing the look of the building.

Changing the students who roam the halls.

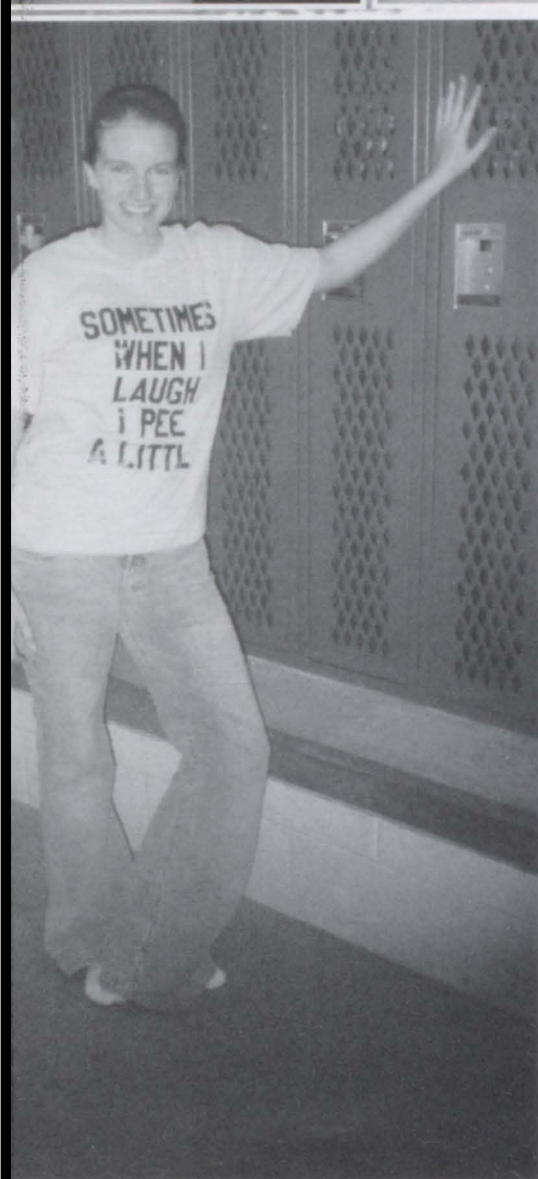

Changing the staff members that run the
classes.

Changing the ideas about people we've
known for years.

But most of all, changing who we are. As
another year passed, we all changed into
different, more intelligent people.

You might say we were **UNDER CONSTRUCTION**

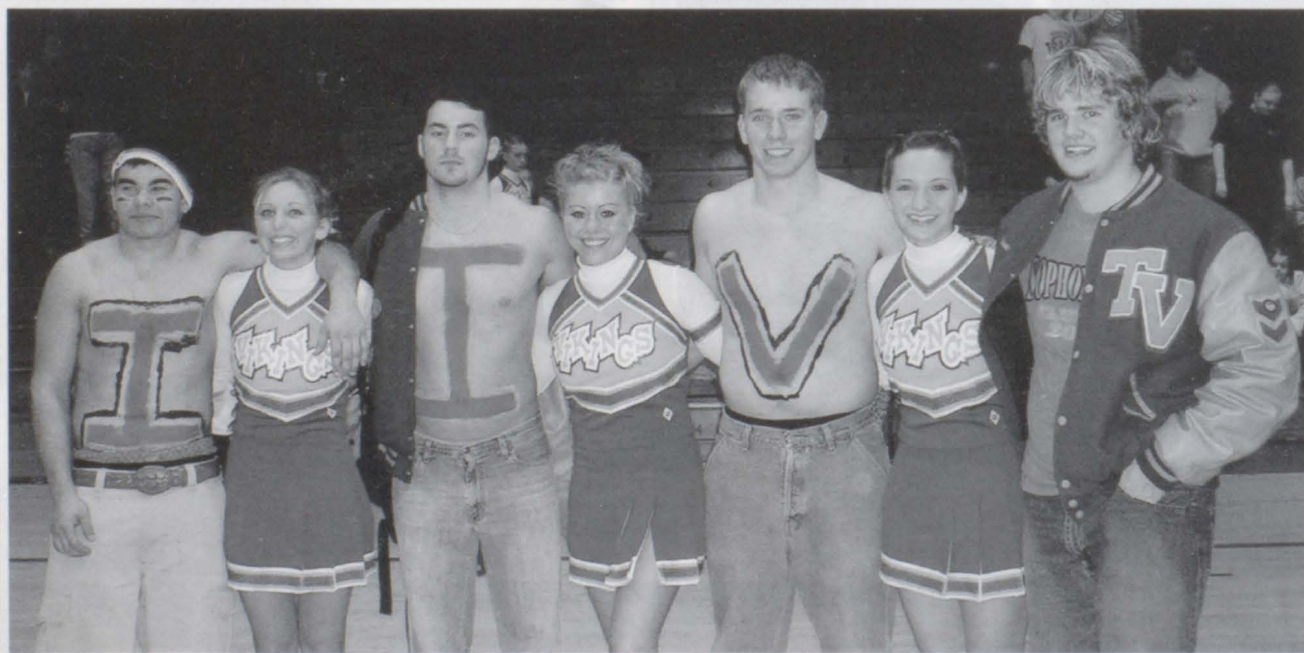

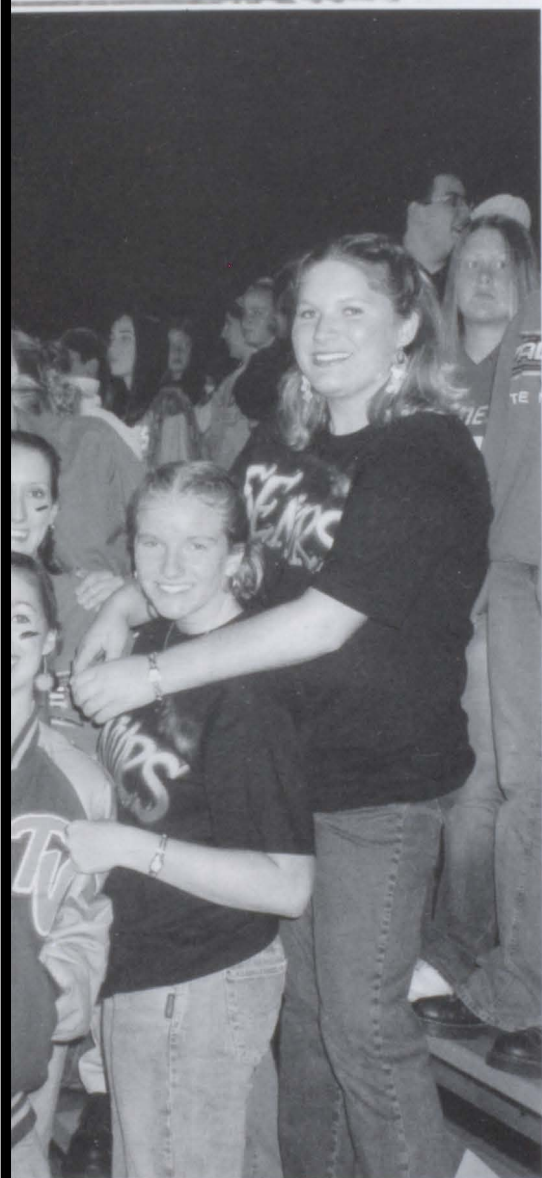

TVHS SPIRIT

*One thing that is never in short supply at TVHS
is school spirit.*

Looking through the halls of TVHS, it is easy to see that we are a school filled with spirit and pride. Green and gold abound everywhere. Valley t-shirts are an everyday staple for many students. Game days bring out the best in us as we show that TVHS is second to none when it comes to SPIRIT!

Homecoming Spirit Week

Homecoming Spirit Week gives Tippecanoe Valley a chance to get fired up!

As always, homecoming week meant more than just a football game and dance. Homecoming week brought about class competitions, homecoming olympics, court voting, and more black, gold, green, and white than anyone had ever seen before. And from start to finish, TVHS did homecoming in style.

Homecoming Olympics

Friday afternoon of homecoming week means only one thing: the olympics.

As we all come together to support our football team, a very strange thing happens at Tippecanoe Valley High School. Our classes divide to conquer each other in the traditional homecoming olympics. From the orange pass to the leapfrog, from tug-o-war to the piggyback race, the classes compete for domination. And as always, the seniors come out on top.

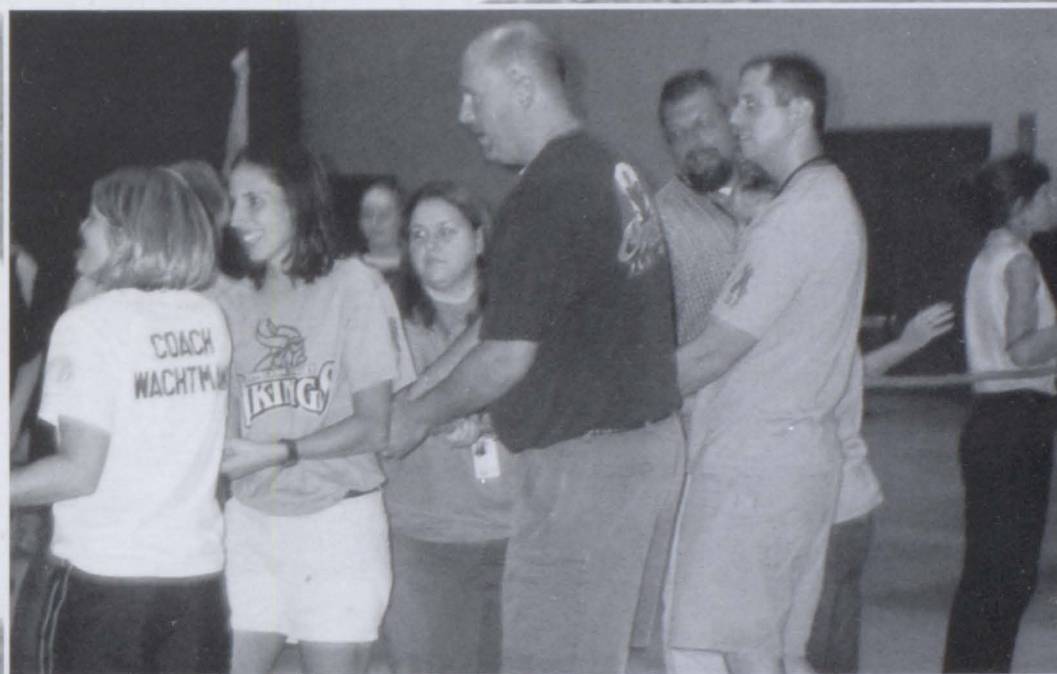

Tug-Of-War

The biggest event of the homecoming olympics is always the finale... Tug-of-war.

Homecoming Court

Presenting the homecoming court of 2004.

Each year the student body of Tippecanoe Valley High School select a group of their peers to represent them on the homecoming court. This year's deserving recipients of king and queen were Lindsay Wiley and Preston Studebaker.

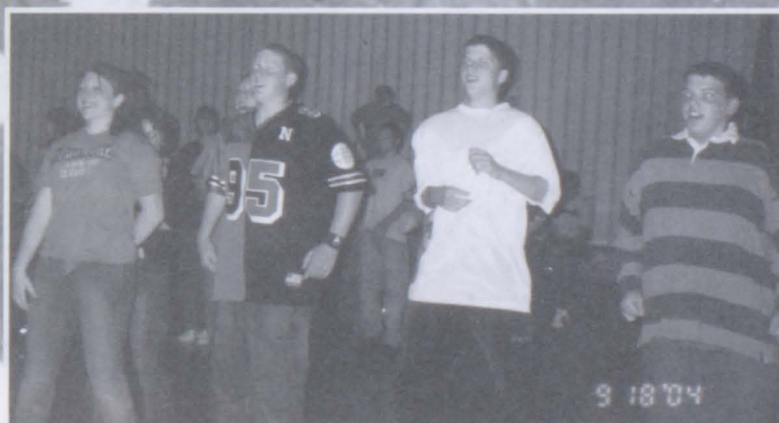

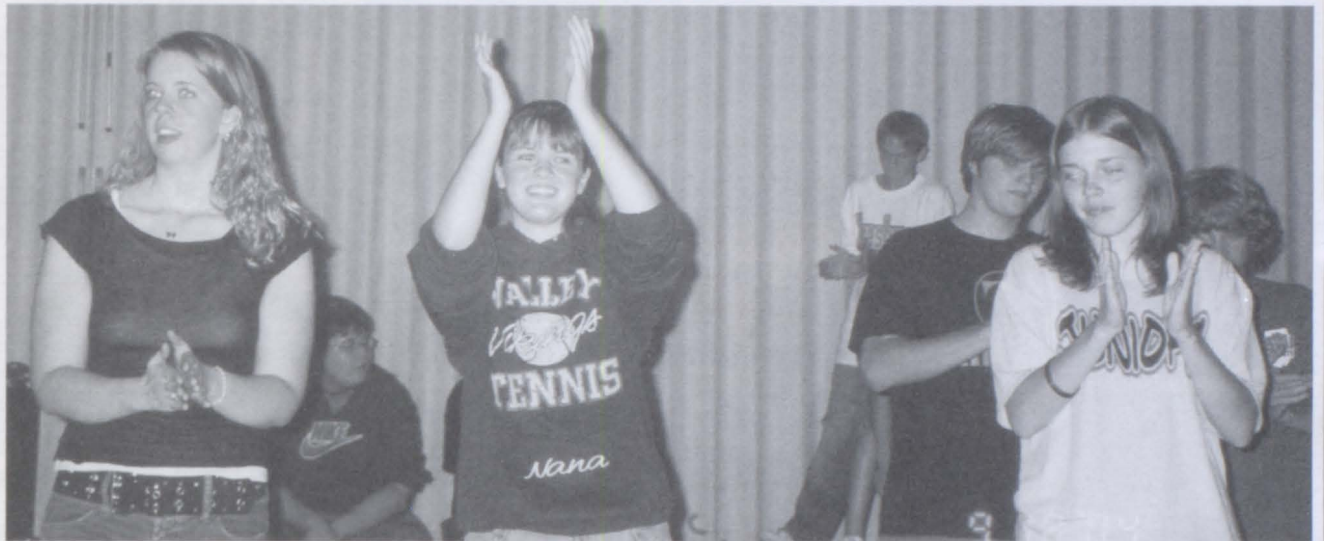

Tailgating

Another TVHS tradition takes place before the ever-important football games: tailgating. Grilling out, having fun, and getting geared up for the game is one way Valley students and fans show their spirit.

Homecoming Dance

After the game, it was time to celebrate our win with a few hours of dancing fun.

Senior Trip

Washington D.C. get ready for TVHS!

The class of 2005 travelled to Washington, D.C. for a few days of fun, bonding, and learning. This group made the most of their time in our nation's capital and saw as many sights as possible in their time in the city. Washington, D.C., like these seniors, is likely to never be the same.

TVHS Drama Takes on NYC

Valley drama students visit the big apple.

Before the beginning of the 2004-2005 school year, fifteen TVHS drama students headed off to visit New York City and the lights of Broadway. Taking in all the sights, such as the Statue of Liberty, South Street Seaport, Ground Zero, the Empire State Building, and much, much more, students explored one of the greatest cities in the world. They also took in several Broadway shows during their five day trip. All in all, it was an experience to remember always.

Grease

The popular musical comes to our stage.

TVHS fine arts presented the well-loved musical "Grease" this year. The cast and crew, along with Ms. Larty at the helm as director, brought to life this classic tale of high school love and romance. Starring Louise Cracknell as Sandy and Camron Parker as Danny, the group sang their way into a blockbuster hit.

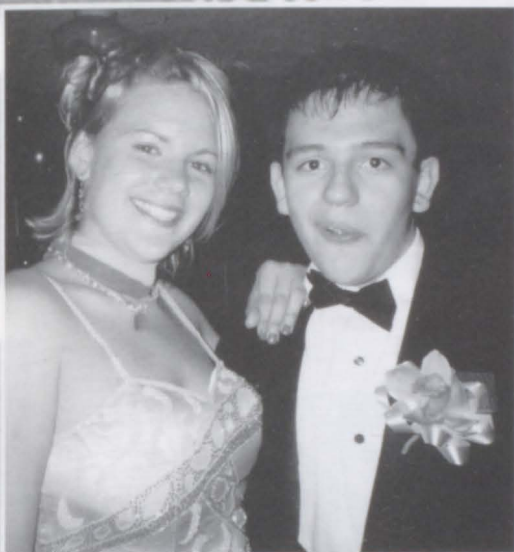

Prom 2005

A Night to Remember

Prom 2005 was definitely a hit for all who attended. Between the beautiful gowns, elegant tuxedos, slow dances, and smiles, there were a million memories made that will be forever cherished. Jessica Hudson and Bryan Wong were named Prom Queen and King, making the night especially memorable for this duo. As the pictures show, prom 2005 was certainly a night to remember.

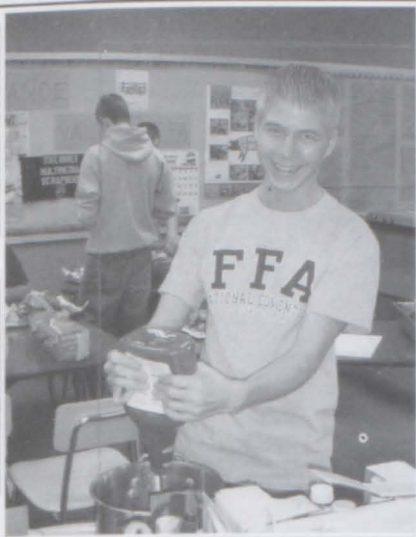

Spotlight on FFA

FFA: LEARN, LEAD, SUCCEED

One of the largest, most successful organizations at Tippecanoe Valley High School is FFA. With the leadership of Mrs. Paxton and the skills of the large membership, the TVHS chapter of FFA is highly successful. Here we spotlight this accomplished organization and its members.

SENIORS 2005 IN 2001

It's hard to remember what everyone looked like "back in the day." Remember, when the seniors were scared little freshman afraid of wearing black on the wrong day? Take a look back at the senior class of 2005... as they were in their freshman year of 2001.

Graduation Ceremony

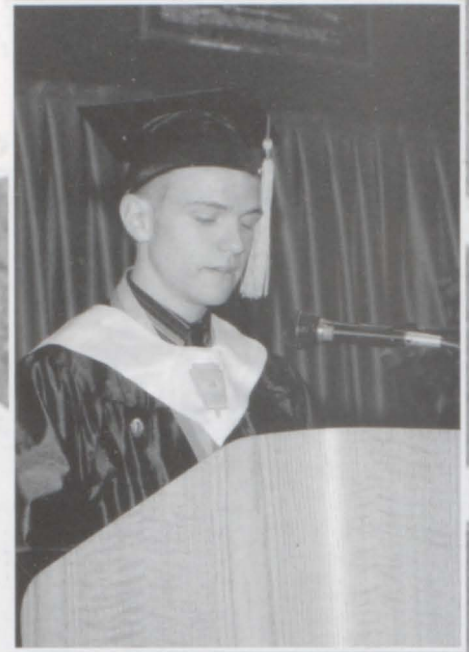

Congratulations to the Class of 2005

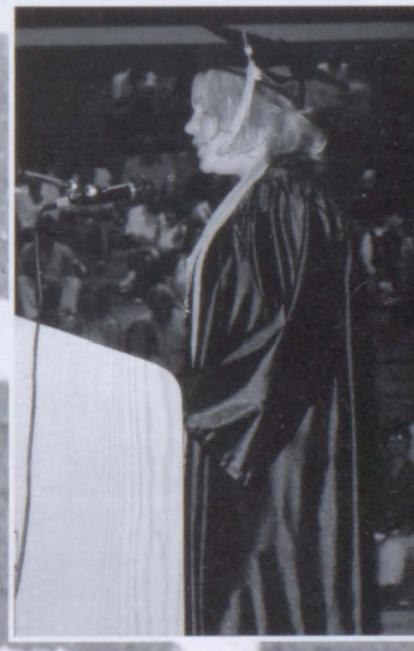

Graduation day is one that all students look to as they make the journey through high school. As the day nears, it is many students find it unbelievable that their four years at Tippecanoe Valley High School are coming to an end. And when that graduation day in June finally arrives, it marks a high achievement for all of those who are celebrated on this day. Congratulations to the Class of 2005.

Academics

Art

Led by Mrs. Mills, Tippecanoe Valley students learn to express themselves visually through painting, drawing, sculpture, and a variety of other mediums.

Above: Mrs. Mills lends a hand with projects.

Right: Students study famous works of art during the annual Chicago trip.

Agriculture Department

Mrs. Paxton leads classroom studies and FFA Hands-On!

Above: Andrew Murphy serves drinks at the FSA.

Top Middle: Castle and Kindig shred pork for the community supper.

Top Right: Sweet, Terrell, Ramsey, May, and Adams set up the milk vending machine.

Far Right: Kiphart, Koldyke, Utter, Peters, and Tucker wait on the next group of students.

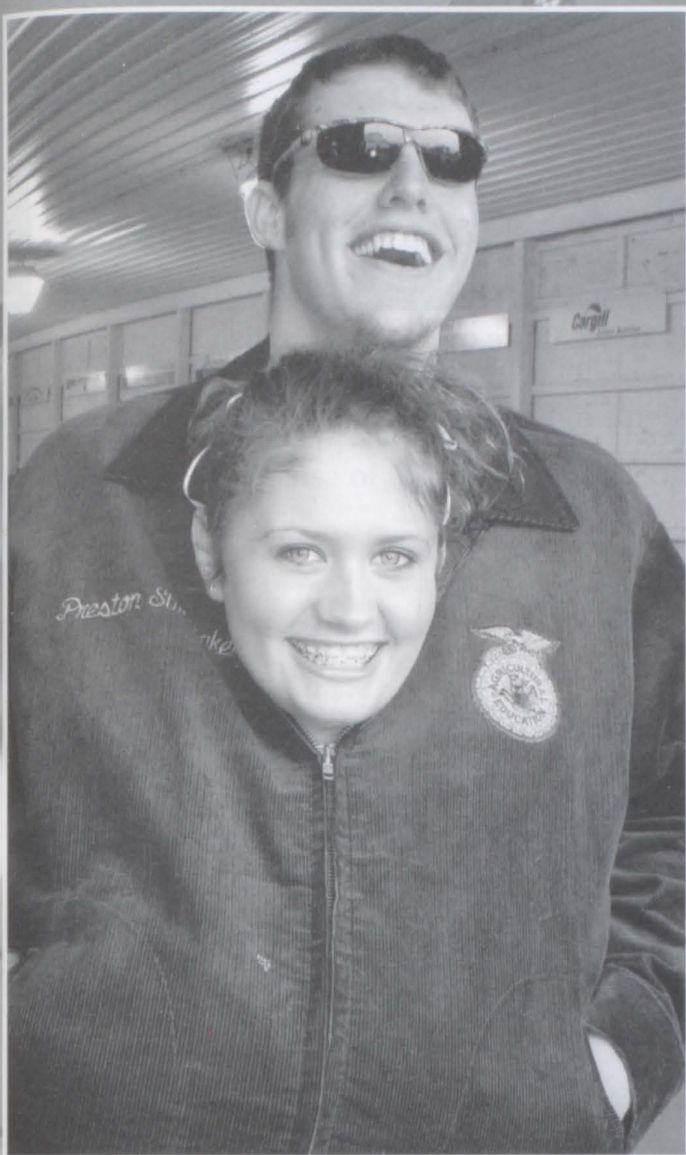

Right: Whitey and Burkett are ready to ask Mrs. Paxton a question.

Bottom Left: Meredith, Wise, and Ousley hame it up during tractor drive in day.

Bottom Right: Jana, Meredith and Corey Wright pose with the Ag. Mechanics safety demonstration materials.

Far Left: Brendan Kiphart and Shelby May manage to squeeze into Preston Studebaker's jacket.

Left: Jenna Yeiter is concentrating at the district livestock contest to prepare for verbal reasons.

Middle: Senior members take a break for lunch during Ag Day.

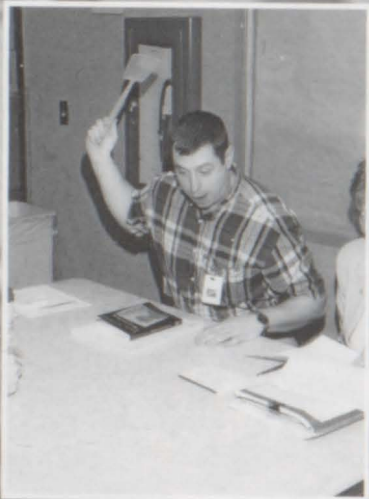

Bottom Left: Dusty Cox is sporting his restored "Farmall B."

Bottom Right: Castle, Adams, Kindig, Terrell, and Burkett competed in the area environmental contest.

Foreign Language

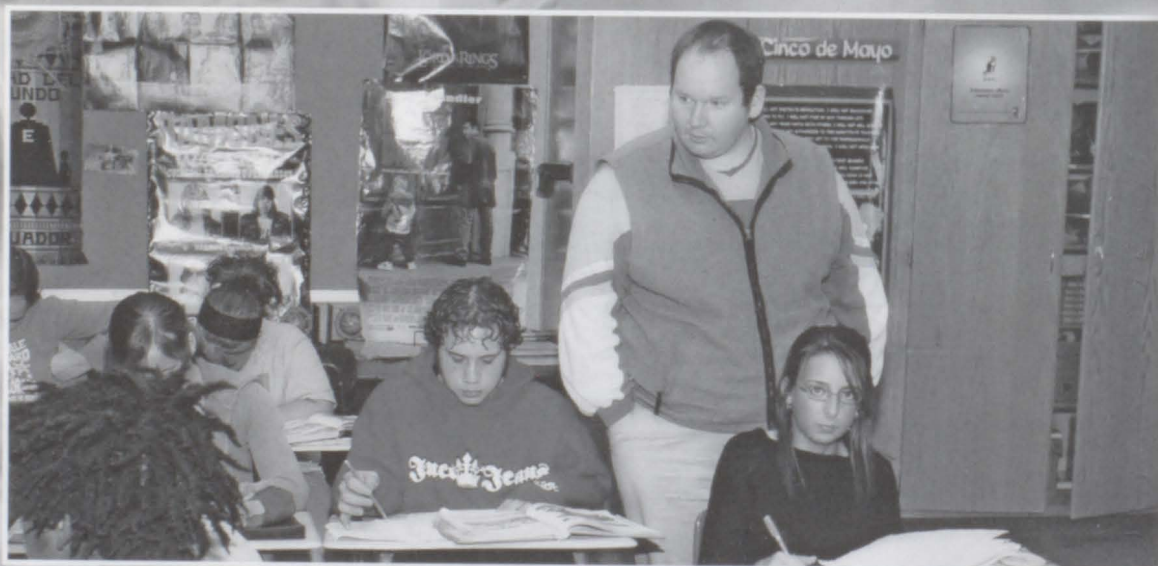

While most Valley students would say the language they concentrate on most is English, many are lucky enough to be exposed to either French or Spanish as well. With Mrs. Buss teaching the French and Mr. Walker and Mr. West educating our students in Spanish, TVHS is truly a multi-lingual environment.

Above: Mr. Walker and his fly swatter.

Top Right: Mr. Walker, in a more serious mode, during the Chicago trip.

Bottom Right: Mr. West makes the rounds to help students.

Science

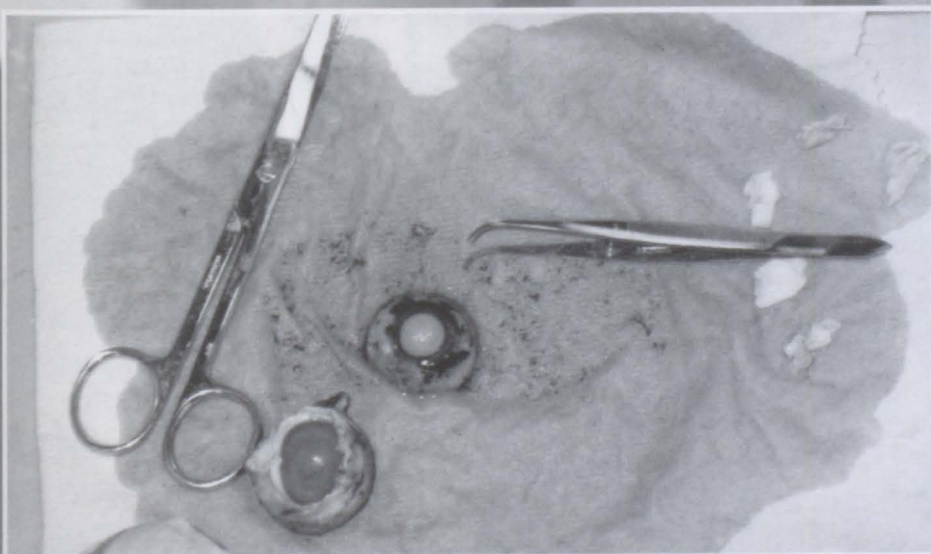

Whether it's earth-space science, biology, physics, chemistry, anatomy, or another scientific course, TVHS students are learning the ins and outs of science and how it affects our lives. Each day, Ms. Day, Mr. Grossnickle, Mr. Hutton, and Mr. Hamman explain the inner workings of the science world and help us make sense of the world around us.

Left: Terra Kruger, Katie Sroufe, and Sheena Reed show off the spoils of their hard work.

Bottom Left: A closer look at a dissection.

Bottom Right: Chelsea Culp had a bit of a disagreement with the lab table. The word is still out on who won.

Foreign

English

"To be or not to be?" is the question pondered by many an English student as they toil through courses such as AP English, speech, English 10, debate, English 11, and English 9. Reading such works as The Grapes of Wrath, Sphere, Romeo and Juliet, and Of Mice and Men provide a challenge, as well as a new literary experience, for TVHS students. With Mrs. Buss, Ms. Imhausen, Mrs. Klotz, Mr. Makula, and Mrs. Shoemaker putting forth their best efforts, Valley students are getting a stronger grasp on the English language.

Above: English students concentrate on the lesson at hand.

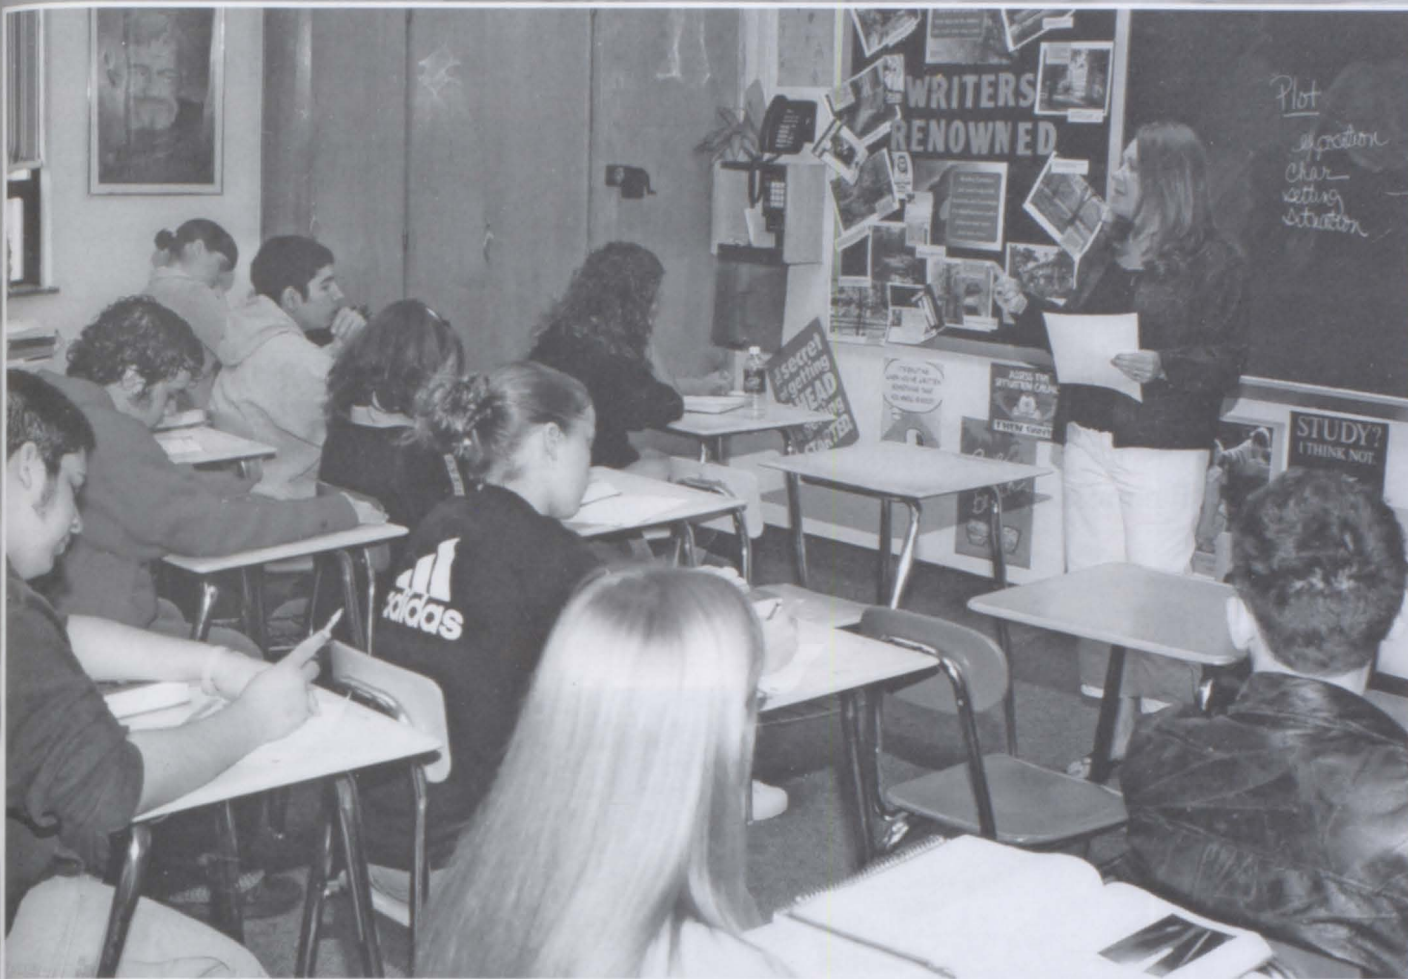

Top Right: Speech students complete outlines for an upcoming speaking assignment.

Bottom Left: Mr. Makula looks on as English 11 students work through a Sphere quiz.

Bottom Right: Miss I. flashes a smile as she enters grades into the computer.

Above: Mrs. Klotz explains plot to her English 10 students.

Middle Left: English 10A students work together on a presentation.

Middle Right: Lost in a good book during study hall.

Bottom Left: Mrs. Shoemaker grades the day away.

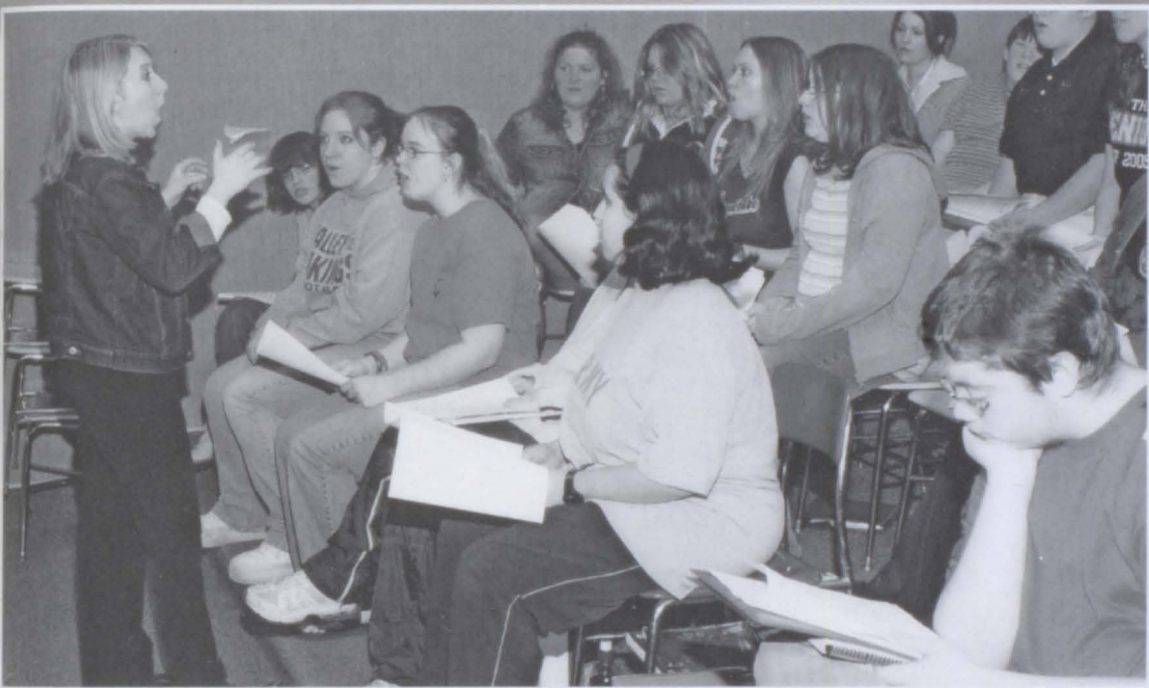

Bottom Right: English students working hard to get it right.

Music

For many TVHS students, life would not be the same without music. Rap, country, pop, rock, classical- whatever your style of choice may be, we all enjoy a good tune. For those students studying music here at TVHS, however, music is much more serious than simply what song is playing on the radio. Ms. Riner and Ms. Larty ensure that students at TVHS understand a lot more about the theory and practice behind the music we all love so much.

Family and Consumer Sciences

Looking out for family values is what the Family and Consumer Sciences Department is all about. Through the teaching of child development, foods, housing, and other courses, Mrs. Zawlocki and Mrs. Higgins help TVHS students understand what they need to know to be successful in life.

Top Right: Students care for their "Baby Think-It-Over" in child development.

Bottom Right: It's all smiles while working on textiles projects.

Vocational-Technical

Mr. Heinold, Mr. Boucher, Mr. Mohr, and Mr. Murphy are working to help TVHS students learn the tools of the trades from the outside world. By taking building trades, design processes, and various other technical courses, Valley students are acquiring skills that will be useful for years to come as they venture out into the world beyond the doors of TVHS.

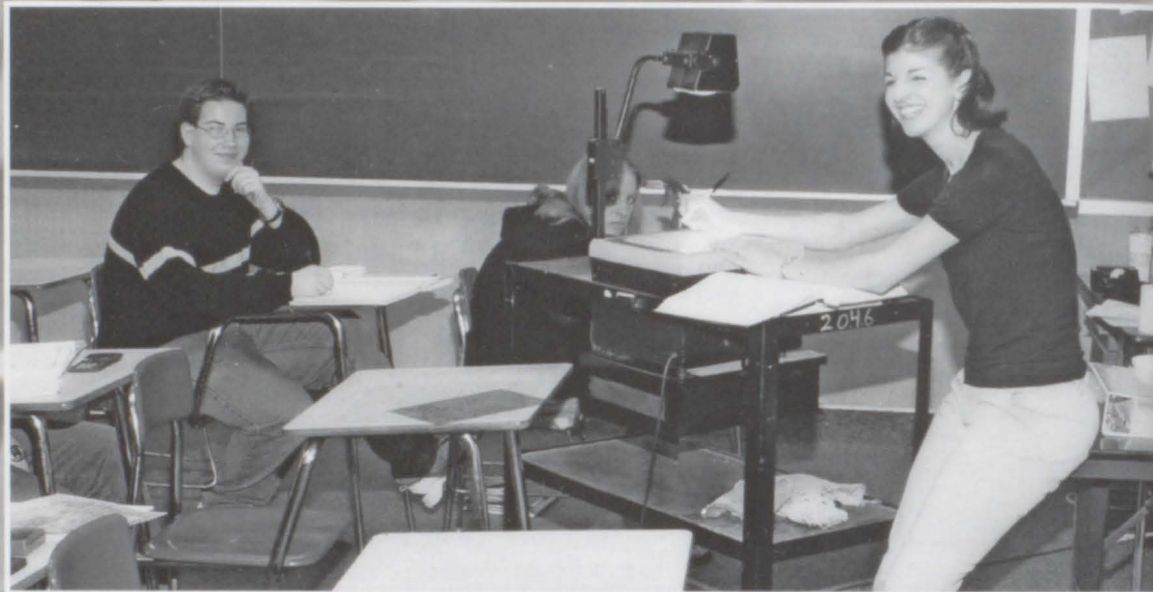

Above: Mr. Heinold helps Brad Crispen with a tricky assignment.

Right: Mr. Mohr explains it all.

Math

$2 + 2 = 4$. That much is pretty simple. The math that TVHS students are tackling every day is a bit more challenging than simple addition. In trigonometry, algebra, calculus, geometry, and all of the other mathematical courses Ms. Fetterhoff, Mrs. Lyvers, Mr. Screeton, Mr. Parker, and Mr. Hamman teach, there's a lot more to it than $2 + 2$.

Top Right: Ms. Fetterhoff is happy to explain the day's work.

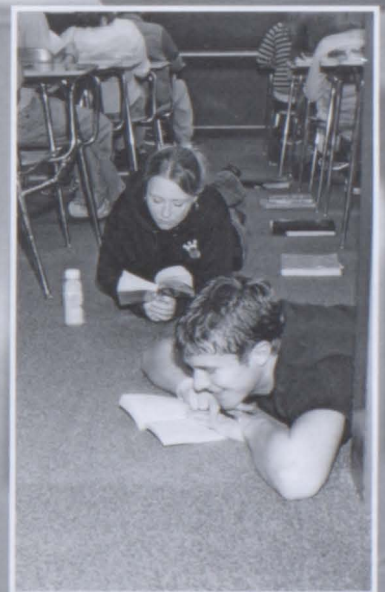

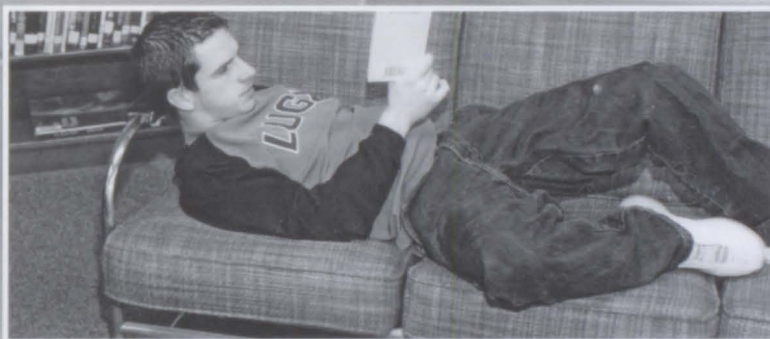

Bottom Right: Mrs. Lyvers students work together to accomplish a math task.
