Splattered Memories

The background is a collage of faded school photographs, including students in a hallway, a group of students outdoors, and a student in a green jersey with the number 9. Scattered throughout the collage are numerous small, teardrop-shaped petals with a rainbow color gradient.

The Tippecanoe Valley Blood Drives

According to the American Red Cross, "Every minute of every day, someone is in need of blood."

And thanks to a lot of the students and staff here at Tippecanoe Valley High School, they'll get it.

TVHS is a regular host of several blood drives each year. Students get a chance to donate their blood and possibly save a life.

The phlebotomists set up the blood donation stations.

Blood Drive Facts

From the American Red Cross

"More than 38,000 blood donations are needed every day."

"More than 1 million people are diagnosed with cancer each year. Many of them need blood for chemotherapy."

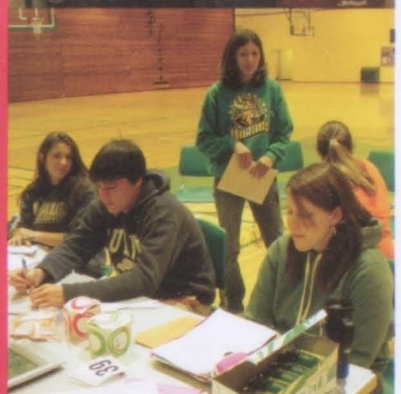

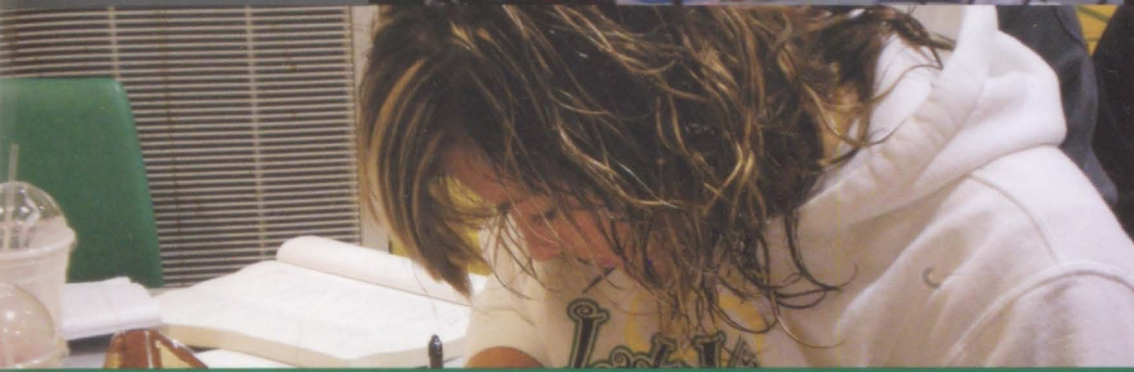

"Every two seconds, someone in the U.S. needs blood."

Above, Kalyn Mayorga waits patiently for her turn to donate.

Student Government arrived at the school at 6 a.m. to help set up.

Below, Cayla Johnston helps by signing in the students as they arrive to donate.
