A bit about the organization

The Indiana Sunshine Society is a philanthropic organization founded in 1901 by a group of Crawfordsville high school students and their teacher, Miss Anna Wilson. Its purpose of dedication to humanity is found in its one-word motto: "Others". In 1928 the decision was made to make Riley Hospital for Children its primary beneficiary and that relationship has continued over the past 100 years. Although Riley is the primary beneficiary, Sunshine chapters throughout the state continue to dedicate themselves to charity, helpfulness, and kindness in order to make their communities better places to live. Lois Buss is the sponsor of our chapter.
