Valley Family - Life at Valley is good, because we are family...Valley Family. So much happens at our school on a daily basis that doesn't include classwork or tests.

TVHS offers a wide variety of activities that let students grow both academically as well as socially. Life lessons are learned on playing fields, through hands-on activities, extra-curricular competition, clubs, stage performances, and just being a part of the Valley Family.

Yes, being part of the Vally Family is good, and we take pride in being Vikings.

The story of the Lunch Ladies...and Man.

The TVHS cafeteria is staffed by dedicated ladies and one man. Their day starts before students arrive. Often-times, the duties of these hard working cafeteria staffers is under-appreciated by us students. Without them we would have no lunch or breakfast to eat. They cook for us and clean all the dirty dishes we leave behind. So here's a little thank you for everything they do for us, each and every school day, without fail.

THANK YOU!!!
HERE'S A PAGE
DEDICATED TO YOU!!!

Did you know?

For starters, the lunch ladies don't have it easy. They do a lot of planning and physical labor to prepare meals for TVHS everyday.

They go through 3 cases of banana's each week. That adds up to 108 cases of banna's a year!

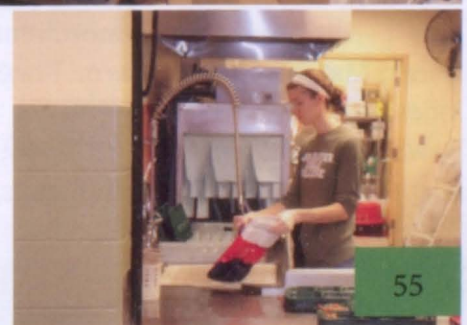

Each of the staff members has to go through 6 hours of training every year and Shelly Holloway, the manager has to go through 10 hours. She also has to stay aware of the constantly changing government nutrition guidelines and make sure that TVHS is in compliance.

Unified Sports

Unified Sports at Valley took a huge leap forward this year. Events were expanded, and students stepped out of their usual group of friends to form partnerships with others that didn't exist before. Money for our Unified Sports Banner was raised in record time, thanks to the generosity and hard work of many students and staff. The different schools at Valley worked together to make this a special year for Unified Sports, bringing us all together in a spirit of sportsmanship and unity. Unified sports is just getting started, and will continue to grow in the years to come!
