Welcome

Our new Director
Ashley Mojica!

Ashley comes to us from Kewanna Union Township Public Library, where she started during the pandemic.

Her goal is to ensure that the library is available and accessible for all patrons,

expand service to the entire community, and help meet community needs through outreach, programming, and connectivity. Ashley is looking forward to getting involved with the park department as well

as all of the businesses in Mentone.

When she is not at the library Ashley enjoys spending time with her husband, family, and dogs. You might find her reading a book, playing video games or taking care of her many plants.
