## Recipes

### Homemade Cheddar Cheese Popcorn (Perfect for Movie Nights!)

#### Ingredients:

6 tablespoons melted butter  
1/2 cup cheddar cheese powder  
1/4 teaspoon mustard powder  
6 cups popped popcorn or 1/3 cups popcorn kernels  
1/2 teaspoon salt

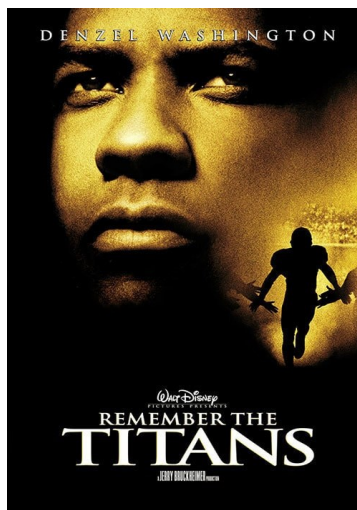

#### Instructions

Put a 1/3 of a cup of kernels in a medium brown paper bag.  
Roll the top of it closed.  
Microwave until the kernels stop popping at the rate of at least 1 per second.  
In a large brown paper bag, combine the popcorn and butter by shaking the bag while pouring the butter in a slow stream.  
Once all the butter is in, roll the bag closed and shake it REALLY well.  
Combine the cheddar cheese powder, mustard powder and salt in a small bowl.  
Sprinkle over the popcorn while shaking the bag.  
Roll it back up and shake vigorously.  
Enjoy immediately!
