Getting Started With Hoopla

Hoopla is a digital media service that allows you to borrow movies, music, audiobooks, e-books, comics and TV shows to enjoy on your computer, tablet, or phone. With no waiting, titles can be streamed immediately, or downloaded to phones or tablets for offline enjoyment later; titles cannot be downloaded to computers.

What you will need:

A Library Card from the Bell Memorial Public Library.
Access to the Internet.

For mobile devices: download the free Hoopla Digital app for iOS, Android or Kindle Fire.

For computers, hoopla will prompt you to download Widevine, a free video player plug-in, when you attempt to watch your first movie.

An email address to create an account (the same e-mail address that is on your Library account).

Download the hoopla app to your mobile device or visit <http://www.hoopladigital.com> in your computer's browser and sign up for a new account.

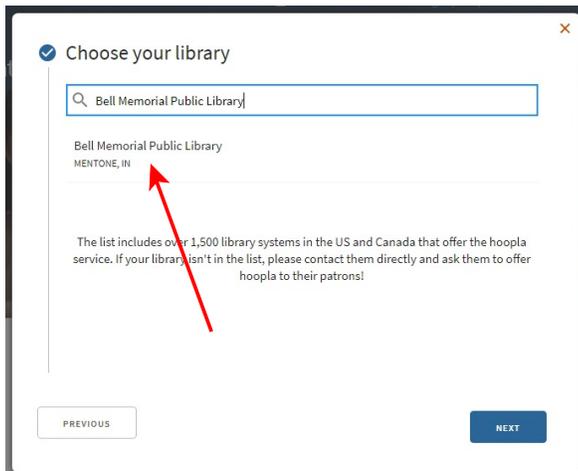

Enter your email address (the same e-mail address that is on your Library account) and create a password (8 to 40 characters).

The screenshot shows a web form titled "Your Info" with a close button (X) in the top right corner. The form contains four input fields: "Email" (with an envelope icon), "Confirm email" (with an envelope icon), "Password (8-40 characters)" (with a lock icon), and "Confirm password" (with a lock icon). Below the fields is a line of text: "By clicking agree, you are agreeing to our terms and conditions and our privacy policy." Underneath that is a link: "Already have an account? Log in". At the bottom right of the form is a blue button labeled "AGREE".

After providing your e-mail address and selecting a password, a listing of a list of area libraries will appear.

You will need to type in “Bell Memorial Public Library” and then select our Library prior to clicking on the “Next” button.

Search for “Bell Memorial Public Library” and click on the Library’s name.

Enter your library card number and that’s it!

You can borrow up to a total of five (5) titles each month. Once that limit is reached, you won’t be able to borrow more until the next month.

When you click on the Borrow button, it will count towards your 5 item limit for the month, so be careful when choosing items!

Loan Periods

ebooks, audiobooks and comics – 21 days

Movies and TV shows – 72 hours

Music – 7 days

You can view and listen to borrowed content as often as you want during the loan period. With hoopla’s automatic return feature, you never have to worry about late fees.
