Alabama Advance Health Care Directive

On this date of _____ , I, _____ , do hereby sign, execute, and adopt the following as my Advance Health Care Directive. I direct any and all persons or entities involved with my health care in any manner that these decisions are my wishes and were adopted without duress or force and of my own free will.

I have placed my initials next to the sections of this Directive that I have adopted:

[ ] Living Will
[ ] Selection of Health Care Agent (Health Care Proxy)
[ ] Designation of Primary Physician
[ ] Organ Donation

This form may be used in the State of Alabama to make your wishes known about what medical treatment or other care you would or would not want if you become too sick to speak for yourself. You are not required to have an advance directive. If you do have an advance directive, be sure that your doctor, family, and friends know you have one and know where it is located.

Living Will

I, being of sound mind and at least 19 years old, would like to make the following wishes known. I direct that my family, my doctors and health care workers, and all others follow the directions I am writing down. I know that at any time I can change my mind about these directions by tearing up this form and writing a new one. I can also do away with these directions by tearing them up and by telling someone at least 19 years of age of my wishes and asking him or her to write them down.

I understand that these directions will only be used if I am not able to speak for myself.

IF I BECOME TERMINALLY ILL OR INJURED: Terminally ill or injured is when my doctor and another doctor decide that I have a condition that cannot be cured and that I will likely die in the near future from this condition.

Life sustaining treatment - Life sustaining treatment includes drugs, machines, or medical procedures that would keep me alive but would not cure me. I know that even if I choose not to have life sustaining treatment, I will still get medicines and treatments that ease my pain and keep me comfortable.

Place your initials by either “yes” or “no”:

I want to have life sustaining treatment if I am terminally ill or injured. ____ Yes ____ No

Artificially provided food and hydration (Food and water through a tube or an IV) - I understand that if I am terminally ill or injured I may need to be given food and water through a tube or an IV to keep me alive if I can no longer chew or swallow on my own or with someone helping me.

Place your initials by either "yes" or "no":

I want to have food and water provided through a tube or an IV if I am terminally ill or injured. ____ Yes ____ No

IF I BECOME PERMANENTLY UNCONSCIOUS: Permanent unconsciousness is when my doctor and another doctor agree that within a reasonable degree of medical certainty I can no longer think, feel anything, knowingly move, or be aware of being alive. They believe this condition will last indefinitely without hope for improvement and have watched me long enough to make that decision. I understand that at least one of these doctors must be qualified to make such a diagnosis.
