FFL Fab Lab Maker Agreement:

1. Prior to using the FFL Fab Lab, Makers must (a) complete a Maker Agreement form; and (b) verify his/her identity with valid photo ID and library card. A Minor without valid photo ID may verify his/her identity with a library card and valid photo ID of a parent/legal guardian.
2. Makers must “check in” with the staff member on duty, using their Onondaga County Public Library card, and sign the guest book each time they use the FFL Fab Lab.
3. Makers must participate in mandatory safety trainings in order to use the 3D printers, laser cutter, CNC mill, sewing machines, and vinyl cutter; they may not use these tools until “certification” training has been complete. When using a tool that does not require certification, the Maker is certifying that he/she is capable of using that item in a safe and proper manner. FFL Fab Lab staff is will make available upon request materials such as manuals.
4. Young children are the responsibility of their parents or caregivers and may not be left unattended in the FFL Fab Lab. Makers under age 9 or minors whose behavior requires supervision must be with their parents or caregivers in the FFL Fab Lab at times. Children whose behavior is deemed unsafe will not be permitted to use the FFL Fab Lab without adult supervision. Parent/caregiver supervision is recommended for all minors, as the lab contains potentially dangerous tools.
5. Makers under age 11 must be accompanied by a certified parent or caregiver to use sewing machines.
6. Makers under age 16 must be accompanied by a parent or caregiver to use the laser cutter, CNC mill, Mojo 3D printers, soldering irons, rotary cutters, and sharp cutting tools. Soldering irons, rotary cutters and sharp cutting tools can be accessed by asking at the Fab Lab Info Desk.
7. The FFL provides the Maker with access to safety supplies in the Lab, including safety goggles, masks, gloves, First Aid Kits, and fire extinguishers.
8. The Maker agrees that the Fayetteville Free Library is not responsible for any manufacturing defects in the quality of workmanship or materials inherent in any of the tools or equipment.
9. The Maker agrees that if any tool or piece of equipment becomes unsafe or in a state of disrepair, he/she will immediately discontinue use of the tool and notify the FFL Fab Lab.
10. Makers must report any accident/incident that occurs on FFL Fab Lab premises to a staff member.
11. Most tools are available to Makers on a first come, first serve basis, for use in the FFL Fab Lab space. 2 Makerbots are available for reservation starting 4 hours prior to close each day. Machines must be reserved at least 1 day in advance. Mojo 3D printers are available by advanced reservation only.
12. Makers may only use one 3D printer at a time.
13. Items used in the Lab or borrowed are to be returned in the same condition as they were issued, barring normal wear and tear. The Maker agrees to pay for the loss or damage to any items and further agrees to accept the Library staff’s assessment of fair restitution for damage, dirtiness, delinquency and/or loss of items in part or total.
14. Items used in the Lab must be returned by the Maker to their original location.
15. The Maker agrees to take precautions to avoid causing unnecessary mess or damage in the FFL Fab Lab. The Maker agrees to clean up his/her workspace in the FFL Fab lab following use. The Maker agrees to inform the Staff member in the case that they are unable to return a work surface, tool or equipment to its original state.
16. The Maker acknowledges that the library is only able to provide consumable materials on a limited basis. The Maker agrees to avoid wasting consumable supplies and materials.
17. Use of the FFL Makerspaces is intended for discovery, learning, entertainment and prototyping purposes. Production of goods to be sold for profit is contrary to the library’s mission and will not occur in the FFL Makerspaces.
18. The production of dangerous items and weapons in the FFL Fab Lab is prohibited.
