Drop by Doc McStuffins' School of Medicine for five song-tastic episodes about staying happy and healthy, whether you're a girl, a boy, or a toy! Share the fun as Doc teaches the toys to patch themselves up when they're down and shows them how visiting the dentist and even getting an X-ray can work wonders! Banish the blurries as you help Professor Hootsburgh choose the perfect pair of glasses, get soccer star Johnny Foosball back in the game, and fix a friendly bath-time shark's cracked tooth. Then, when Doc sprains her ankle, join the toys as they rush to her rescue. But don't worry - with rest, patience, and plenty of cuddles, she's back on her feet before you can say, "The Doc is in!"

Munki (a bold, banana-juggling adventurer) and Trunk (a big-hearted and optimistic elephant) are best friends. They do everything together - swinging, stomping and somersaulting as they explore their jungle world, hatching plans, solving problems, having fun and helping friends along the way.
