IN THE CHURCHES

METHODIST CHURCH

Revival meetings are running through this week. Meetings are well attended and interest is good. The community is cordially invited to all the services. On next Sunday 10:30 Rev. W. B. Freeland, D. D., will preach and conduct quarterly Conference. This is the fourth quarterly meeting and the election of officials for next year is necessary. All reports should be in. We trust there will be a full attendance. Now remember, the revival is going on and the interest is good. Come and help and be helped.

C. R. Sweeney

FOREST KESLER GAVE

TALK ON VERY INTERESTING SUBJECT

Forest Kesler gave the Chamber of Commerce a very instructive talk on "How The Weather is Made." "Red" has had three years experience in the weather forecasting bureau at Springfield and Chicago. Chicago is next to the largest station in the United States, Washington coming first.

In this talk the instruments were described and their uses explained. Also the accuracy and speed of their work was explained.

Little did we know that we had a walking encyclopedia on the weather in our community. His talk was enjoyed by the entire Chamber and surely was instructive.

Don't forget the meeting next Monday night. You are invited. Come and hear something worthwhile, it is all free.

MRS. SAMUEL NELSON PASSED AWAY FRIDAY

DEATH CAME FRIDAY AT HER HOME NEAR SYCAMORE CHURCH

OBITUARY

Delilah Elizabeth Stahl, daughter of Levi and Mary Stahl, deceased, was born in Fulton County Jan. 13, 1869; departed this life Jan. 26, 1923, aged 54 years and 13 days. Delilah Elizabeth Stahl was united in marriage to Samuel I. Nelson April 10, 1886; to their union six children were born. Little Dow having preceded her in infancy.

She leaves to mourn their loss a husband, five children, Cloe and Mary Nelson at home, Clarence of Rochester, Levi Nelson of Fulton, Naaman of Akron, three sisters Mrs. Kelsey Richardson and Mrs. Martin Barkman of Rochester and Mrs. Bert Wilson of Oak Park, Illinois. Two brothers Charles Stahl of Rochester and Clint Stahl of Salt Lake City, Utah, seven grand children, two aunts Mrs. Malinda Ashelman and Mrs. Frank Barkman, and one uncle F. M. Drudge, and a host of other relatives and friends.

Sister Nelson obeyed the gospel in the fall of 1886 becoming a member of the Sycamore congregation of the Church of Christ and remained an active and faithful worker in the Lords Kingdom until she was called home.

She was a loving wife an indulgent mother an obliging neighbor and a true Christian.

The funeral was held at Rochester conducted by Rev. A. J. Bachman and the body was placed in the mausoleum in the Rochester cemetery.

BETTER MAIL SERVICE

VICE FOR MENTONE

Through the efforts of our postmaster, E. R. Shinn, the people of Mentone are assured better mail service in the near future. Up until this time the Nickel Plate agent was required to carry the mail to and from the postoffice. The postoffice authorities have arranged to hire a man to look after this in the future. They will receive bids for this position and anyone desiring further information can get same from the local postmaster. His duties will be to look after all mail from six a. m. until nine p. m.

When the carrier is appointed outgoing mails will be locked up only ten minutes before the train is due, and should the train be late the mail will be held at the postoffice until the train is due. We can surely appreciate this work of the postoffice officials. Don't forget that if you want the job to place your bid at the postoffice.

NOTICE

The "Go Forward" Class of the Methodist Church will hold their regular meeting Thursday afternoon, February 8th, with Mrs. Richard Greulich. All members are expected to be present.

DEATH COMES TO MRS. PHEBE BLUE

AGED RESIDENT PASSED AWAY AT HOME WEST OF MENTONE

OBITUARY

Phebe, daughter of Elijah and Nancy Hopkins Bloomer was born in Fayette County, Ohio, Jan. 10, 1840, where she grew to womanhood and was married to James H. Blue, July 19, 1855, and soon after came with her husband to Indiana and moved into a log cabin on his fathers farm just outside the South Western limits of Mentone where they lived until the autumn of 1859, when they moved in a cabin on their own land one half mile North of where they commenced housekeeping.

Here they labored together to make a home out of what was then a dense forest and endured the hardships and privations incident to pioneer life.

In the early winter of 1867 they moved into the old Benjamin Blue homestead, where they spent the remainder of their lives, father having passed away Jan. 10, 1916, and mother Jan. 27, 1923, at the age of 83 years and 17 days.

They were the parents of 10 children Elijah A. John, Charles, Margaret C., William J., Benjamin F., Marion E., Rose E., Anna, and Minnie. Five children together with the husband preceded her to the land beyond, five remain Elijah A. John, Mrs. Rose E. Bogges, Mrs. M. O. Mentzer, and Anna together with 18 grandchildren and 16 great grand children to mourn the loss of a kind and affectionate mother and grandmother.

On June 14, 1914, she was baptised and taken into the First Baptist Church of Mentone, she was never able to attend church much because of sickness in the home but contributed regularly to its support and was interested in its prosperity.

Upon the death of her son John, wife, in 1896, she took him and his two children Linden A. and Odie into the home where they remained. Linden until he was married and John and Odie until her death.

She was never happier than when she could have all the children and their families meet with her in the home and partake of a meal. No one ever enjoyed better to prepare a good meal and have her friends sit at the table and enjoy it. She was kind to every one and will be missed by the neighbors and friends as well as by the family.

Funeral services were conducted at the Mentone Baptist Church Monday Jan. 29, at 2 p. m. Rev. P. O. Duncan in charge.

CARD OF THANKS

We desire to express our gratitude to the friends and neighbors who so kindly assisted during the sickness and burial of mother.

SOCIAL EVENTS

BIRTHDAY CELEBRATION

Friday evening a number of neighbors and friends whose birthdays chanced to come in January met at the beautiful country home of Mr. and Mrs. Ora Tucker.

A delicious oyster supper was the beginning of a delightful evening. Just imagine a birthday cake large enough to hold all the candles required to represent all the years passed of those whose birthdays were being celebrated. Mrs. Nora Tucker alone holds the secret of baking such a cake. Following this were games, music and a social good time. Mr. Tucker brought about the climax of the evening with a large freezer of ice cream as a surprise to all. This was certainly appreciated and all did ample justice to it.

Those whose birthday came at this time were:

Mrs. Ora Tucker
Mrs. Mars Tucker
Mrs. Gus Mollenhour
Mrs. Sadie Black
Mrs. Charles Tucker
Mrs. Floyd Tucker
Lillie Tucker
Max Nellans

These with their families and Chas. Petry and family completed the company.

Everybody departed at a very late hour each declaring Mr. and Mrs. Tucker splendid hostesses indeed.

BIG FOUR WRECK

EIGHTEEN FREIGHT CARS DERAILED ON BIG 4

NEAR CLAYPOOL

Eighteen Big Four freight cars traveling 35 miles per hour jumped the Big Four track between Claypool and Silver Lake Monday evening and piled up along the ditch, crossed fences and nearby fields.

Two oil tank cars were bursted, and their contents, worth thousands of dollars, was lost. Gasoline and oil were mixed, but fortunately did not catch fire.

A car of sugar was scattered along the right-of-way. Other merchandise was tossed about and damaged. Some of the cars rolled over on their sides, while others jammed on top of others. A few remained upright.

A spreading rail is believed to have been the cause of the damage which may amount to a big sum. None of the railroad men were injured.

PUBLIC SALE.

John McGowan, was in the Gazette Office Tuesday and ordered one hundred large bills advertising his public sale which will be held on February 9th, at his farm two miles east of Burket. SCHOOL NOTES

BEAVER DAM H. S.

The High School Orchestra gave a fine concert before the school last Friday. Several new selections were given.

The 3rd number of the Lyceum Course will be given Friday evening, February 2nd. The Waldorf Male Quartet will give an entire evening program.

Silver Lake High School found Beaver Dam a little faster than reported. The first half ended 11-10 in favor of Silver Lake. Kern changed his line-up considerable the second half. Beaver Dam won 24-18. Tucker and Black played forwards, Rickel center, Capt. Meredith and Creakbaum played guard.

The Big Four Tourney is a new attraction. Beaver Dam and Etna Green will play the second game. Beaver Dam has a chance to play in the finals for the second time in the history of the school. The first time Beaver Dam ever reached the semi-finals was when Kern, Lackey, Black, Summe and Hire went to the County Tourney in 1914. They were beaten by Etna Green 7-4. Never again.

Three High School girls won prizes at the Farmers Institute at Mentone. Lucile Jefferies, Pauline McFarland, and Helen Nellans were awarded prizes for cooking and sewing.

WITH THE SICK

Isaac Sarber went to Warsaw Tuesday morning where he submitted to an operation for hernia at the McDonald hospital, and is getting along nicely.

Mrs. William Bowman underwent an operation at Warsaw Tuesday on account of her eyes and tonsils. She is reported getting along all right.

Riley Nelson was called to South Bend Thursday morning on account of the serious illness of his son, Virgil, who contracted the flu which later developed into pneumonia.

Elmer Baker, who has been a patient at the Woodlawn hospital at Rochester, returned to his home on North Broadway in Mentone last week, and is now getting along as well as could be expected, but will be confined to his home for sometime.

Russian Sunflower.
The Russian sunflower is used as a forage crop and for ensilage. It is sown in rows 30 inches apart, the plants standing from nine to twelve feet high and yields from 25 to 30 tons of forage per acre in Montana, which dairy and beef cattle like as well as corn, either green or as silage.

It Has a Good Name.
In the yellow adders' tongue, which John Burroughs has poetically styled "fawn lily," there is a twofold appropriateness of name, says the American Forestry Magazine of Washington, for the erect leaves have well been likened to the ears of a startled deer, while the mottled colors, with a distinct brown color more or less in evidence on the outside of the miniature yellow lines, easily suggest the animal.

Health Found in Sun's Rays.
Sun-glare has its influence on health resorts in Europe. In France, medical specialists have recommended the resorts of Brittany and Normandy for a long time instead of the hot and glassy sands of the southern coast. This is the choice especially for children and for persons over fifty whose sight is growing dim. Less attention has been given the matter in England, but preference for places on the east and west coasts instead of in the south is growing for people with weak eyes.

Why Birds Never Fall.
Birds cannot open the foot when the leg is bent; that is the reason they do not fall off their perches when asleep. If you watch a hen walking you will notice that it closes its toes as it raises the foot and opens them when it touches the ground.

Where Rain Never Falls.
It is believed that the driest place in the world is that part of Egypt between the two lower falls of the Nile. Rain has never been known to fall there.

And Not Be Blue.
When you know a man to be yellow it is just as well to draw the color line.—Cartoons Magazine.

FROM A FRIEND

Mannington, W. Va., Feb. 2, 23.
Dear Editor, Relatives and Friends:

Will drop you a few lines from this section of the country we are all usually well and hope all is well out there. We are having a very mild winter, lots of rain and a few small snows. The spring birds have been singing all winter; grass is green yet. Work is scarce at present and vegetables high.

I notice an article in your paper this week of a fiery cross burning out there and the origin or meaning is not known. I can solve the mystery, as we have witnessed same out here, it is a club call the Cuckoo call and the purpose of it is to break up all places of making pick handles and all other meanness. I hope there isn't much of that going on around Mentone as it always has bore the name of a nice place, but if there is they had better clean up as this club is very strict. After the cross is burned they give warning by letter and then if they don't clean up they do it for them and sometimes they do it pretty ruff. They have done lots of it around here. Will close for this time.

Yours With best wishes
W. L. Baker.

GET'S BROKEN ARM

Donald Burkholder, who is employed at the Ford Garage, met with a very severe accident last Saturday evening which resulted in a broken wrist from the effects of cranking a Ford. He was called out west of town to change tire for F. R. Burns and after changing the tire started to crank his Ford which kicked, causing a broken arm. Mr. Burkholder was taken to Warsaw where the arm was set. The arm was broken in the joint and will perhaps be several weeks before he will be able to use it.

COUNTY OFFICIALS AT COUNTY INFIRMARY

MR. AND MRS. A. T. ROCKHILL SERVES BIG DINNER

Superintendent and Mrs. A. T. Rockhill entertained the new official family of Kosciusko county at the infirmary at dinner Monday. The guests included the members of the county council, board of county commissioners, new township trustees, County Auditor T. J. Nye, County Superintendent Jesse Bruner, County Agent T. A. Parker, County Treasurer Clyde Hill, Charles W. Anglin, democratic county chairman, J. O. Motto, republican county chairman and a number of others. Miss Border, a representative of the State Board of Charities, was also one of the guests.

Dinner was served in the big dining hall set aside for the male inmates. It was a feast fit for a King—one of the kind of dinners for which Mrs. Rockhill is famed. Following the dinner, T. J. Nye acted as master of ceremonies. He called on J. O. Motto for a short talk. Mr. Motto told of his many visits to the infirmary and of his observations regarding the splendid administration of Superintendent Rockhill and his good wife. He told how during the past two years, Mr. and Mrs. Rockhill turned into the county treasurer about \$2500 which they earned by performing duties not required of them. This came from money paid for care of persons not county charges and from work on roads and other similar services not required of the superintendent.

C. W. Anglin also complimented Mr. and Mrs. Rockhill highly upon their efficient management of the infirmary's affairs. "The barn here is cleaner and better kept than the infirmaries in many counties that I have visited," declared Mr. Anglin. Both he and Mr. Motto spoke of the fact that the infirmary is more a home than an institution.

Miss Border, who represented the State Board of Charities, declared that the Kosciusko county infirmary ranks as the best managed in the entire state. She said that when she was sent here she was told that an inspection was not necessary because the place was always in good condition.

After the few short addresses; the visitors visited all parts of the infirmary and the barns and found everything immaculately clean and orderly.

WRITE US A LETTER

There are just so many Mentone people sojourning or permanently residing in other states that we would suggest to them that they write us a letter occasionally, for publication, of their doings, their locality or anything of interest to their friends and readers of the Gazette. Such letters make mighty interesting reading. We have printed letters from several of our far-away subscribers and hope they will keep it up. Only we wish there would be more. No matter where you live, in California, Oregon, Montana, Missouri, Ohio, Florida, New York or any other state, write a letter for publication, and thus get a reputation.

You early birds who want to paint and varnish some of your rooms can find what you want and at the right prices. At The Big Drug Store.

Have you paid your subscription yet?

SCHOOL NOTES

BEAVER DAM H. S.

Well, we went into the Finals. We came out and didn't hurt Burke's feelings at all. Some team in the county had to have the honor of being shut-out and some team had to have the honor of doing the shutting out. So, why not have Beaver Dam and Burke write a little history. Etna Green fell before a weird attack of Basket Ball and Meredith. Crackbaum went under and came out with two and Meredith added one. The game was won 16-14. Suppose you all know the other score?

The eight grade wonder five made a grand finish and won 7-4. Rickel won that ability to hit baskets by trapping rabbits and musk rats this winter. He didn't catch any but the habit lasted.

Plans are being made for a musical entertainment to be given at Beaver Dam soon. The Orchestra will go to Milford April 7th to play at the Oratorical Contest.

Silver Lake and Beaver Dam play at Burke next Saturday evening.

The Per Cent of attendance is falling some.

EARL VANCUREN TO LAFAYETTE

Earl VanCuren and family left for the Soldiers' Home, at Battle Grounds, near LaFayette, last week, to make their future home there. Mr. VanCuren having accepted the position of supervising the dining-rooms and the kitchens of the big soldiers' home and everyone who knows his ability in this line will vouch for his selection being a wise one. The remuneration is excellent, we have been told, being a \$2,400 position with home and living furnished. Mr. VanCuren has been living near Burke, for some months, on his farm.

"HEIGH FELLERS" with the stubborn pompadour; why don't you use "HAIR GROOM," makes the hair look swell and not greasy.

People and pins are useless
when they lose their heads.

One way to forget other people's
faults is to remember your own.

A few years more and there
will be no log cabins for great
men to be born in.

Why worry over the past
when there is going to be so
much in the future to worry
over?

Could some people see themselves
as others see them, they
would not brag more than half
so much.

A newspaper in one sense of
the word is the property of the
people. Articles are published
submitted by the citizens, be-
cause they sometimes benefit the
entire mass of readers. Our pa-
tience is sometimes exhausted
when after publishing articles
after article, free of charge for
some organization, the head of
that body have their printing
done out of town. Small town
newspapers everywhere have a
hard time to make ends meet,

due to the fact that many people
think it does not take money to
publish a paper, especially when
it is a try country weekly.

TEAM WORK COUNTS

A community which does not
pull together gets about as
much work of development done
as a balky team.
We don't want balky teams in
the mercantile industry of this
state, we want a strong pull, a
long pull and a pull-all-together.

WHERE WE STAND

This paper gives notice to its
readers and the public generally
that it will not print the nauseat-
ing details of the numerous di-
vorses, scandals, love intrigues,
moral degeneracy and sex filth
that now occupy so much space
in the daily newspapers. The
contention of some publishers
that the public demands this rot
does not appeal to us. The Ga-
zette is going to come through
"clean" or it is not going to come
through at all. If it cannot get
the support of its advertisers
and of the public because it will
not wallow in the moral rotten-
ness that now disgraces Ameri-
can journalism, it will have to
get along as best it can without
it, or if it cannot it will cease to
exist. It is not going to be a pa-
per that mothers will have to
hide when it comes into the
house so that their daughters
and sons will not see it. It is
not by any article in its columns
going to debauch the innocent
minds of childhood. It will pub-
lish news that is fit to print.
That which is not will go into
the waste basket.

Save Pennies— Waste Dollars

Some users of printing
save pennies by get-
ting inferior work and lose
dollars through lack of ad-
vertising value in the work
they get. Printers as a rule
charge very reasonable
prices, for none of them
get rich although nearly
all of them work hard.
Moral: Give your printing to
a good printer and save money.

Beautiful Literary Passages.
There are passages in Milton, Shake-
speare and Wordsworth in which the
more cadences of the words in by itself
delicious to a delicate ear, though we
cannot tell how and why. We are con-
scious of a strange, dreamy sense of
enjoyment, such as one feels when lis-
tening in the night-time to the pater-
ning of rain upon the roof, or when lying
upon the grass in a June evening, while
a brook tinkles over the stones
among the sedges and reeds.—From
"Literary Style," by William Mathews.

Opportunity Gone.
While talking to a caller one day I
was annoyed by the interruption of
my four-year-old daughter who was
trying to tell something exciting. I
reminded her that it was impolite to
interrupt me and went on with my
story. When I had finished I turned
to her, saying: "Now, Louise, what
did you want to tell me?" She an-
swered disconsolately: "I've lost my
way now."—Exchange.

Only One "Game Back."
It is safe to say that no President
was ever otherwise than sorry to leave
the White House—a remark which, of
course, does not apply to Washington,
inasmuch as he never occupied the
manion. Five men—Van Buren, Fill-
more, Grant, Cleveland and Roosevelt
—tried hard to get back. Of these
Cleveland alone succeeded.

Proper Pride Necessary.
Pride, like laudanum and other po-
tuous medicines, is beneficial in
small, though injurious in large quan-
tities. No man who is not pleased
with himself, even in a personal sense,
can please others.—Frederick Baum-
garden.

Facts are the First Requisite.
Facts are to the mind what food is
to the body. On digestion of facts
depends the strength of the one, just
as on assimilation of food depends
the vigor of the other. That man is
wisest in council who has digested the
largest number of facts.

Rats Live in Tree Tops.
Rats are vegetarian by choice, but
they can readily adapt themselves to
any conditions. In Hawaii, for in-
stance, where they were chased habit-
ually by the mongoose, they have ac-
quired the habit of living in the tree
tops, where they are free from their
tormentors.

creased or diminished sound inten-
sity.

NEW KEROSENE (Coal Oil) LIGHT
Beats Electric or Gasoline
Five times as efficient as the
best round wick, open flame
lamps (such as Rayo, R. & H., etc.),
costs only about one cent to oper-
ate six hours. Feeds fuel through
wick, lights and is put out just like
your old lamp. The new improved
Aladdin
Mantle Lamp
produces a strong, white light from
common kerosene (coal oil) without
introducing any new or complicated
features. No noise, no odor, no smoke.
So far ahead of all other oil lamps that the
manufacturers offer \$1000 Reward to any
person who can show them an oil lamp its
equal. A trial will cost you nothing. Just let us
know when you would like a demonstration.

The Oldest Man
in the World
Just part of a skull, two molar teeth and a thigh bone!
Pieced together they made—what? One of the most per-
plexing mysteries in the study of human history.
Were these the remains of an ape-like man who
lived 500,000 years ago?
Scientists believe that they were; they call him
the "Dawn Man," and out of the record embedded
in the rocks they have reconstructed the condi-
tions of his life. How he killed his food and
tore the raw flesh from the bones; how he mar-
ried and fought and died! How little by little he
clawed and climbed his way up to mastery over
the beasts. It is a fascinating, gripping story, but
it is only one of a thousand stories that stir your
blood in this greatest book of modern times.
H. G. WELLS' "Outline of History"
Now Offered You at One-Third the Original Price
A history that goes back 100,000,000 years—back from the dawn of time to the dawn of the dawn. It is the story of the world, the story of the world's progress, the story of the world's civilization. It is the story of the world's history, the story of the world's future. It is the story of the world's life, the story of the world's death. HOW WE GROW

IN KNOWLEDGE

The doctors have stuck a new label on it. Instead of calling the present epidemic flu and grip they say we are suffering from "respiratory diseases." We begin to feel worse already.

"More and Better Stories!"

THAT was the idea we had when we started to make "Telling Tales" Magazine, and we have lived up to it.

Every month there are from a dozen to fifteen complete short stories by such writers as Octave Roy Cohen, Edmund Spenser, Henry Leverette, Thomas Edgebow, Christine Whiting, Katherine Metcalf, Root Margaret Sanger, Harry Kemp and Robert W. Smedley. All of these are regular contributors to America's leading short-story magazine.

But don't take our word for it. We want you to know "Telling Tales" for yourself, and as a special inducement we are making the following offer:

"Telling Tales" is regularly \$5. a copy—\$10.00 a year, but to give you a chance to get acquainted with it, here's what we'll do. Send a quarter for one issue—regular price—and we will send THREE copies instead of the one you paid for. This offer is for a limited time only. The post office won't allow us to make it indefinite. Act today. Send us \$5.00, coin or stamps, and receive \$15.00 worth of stories.

HENRY BRADWAY NOW EMPLOYED BY FRANCIS H. LEGGETT

H. W. Bradway of Kokomo, formerly of Mentone, and who has been employed by Franklin-MacVeigh and Company of Chicago, for the past several years, has several his relations with them, and has landed an excellent position with Francis H. Leggett and Company of New York. This is a wholesale grocery house and they have a branch office in Cincinnati. Mr. Bradway returned from New York last Saturday and started on his new duties Monday. He will have the same territory as before. We compliment Henry on his new position, and we always like to speak a good word for our Mentone "boys" who are making good.

PLYMOUTH WINS IN TOURNAY

The Plymouth Athletics won the final in the district tourney at Plymouth last Friday and Saturday. The Mentone Blue Devils defeated the Bremen boys on Friday by the score of 24 to 19, and on Saturday defeated the Elkhart team with a score of 19 to 18. Their next game Saturday was with the fast Knox bunch and these boys proved to much for our local players and they were let out of the tourney at this game when they had the short end of a 15 to 10 score. Plymouth defeated Knox in the last game and won the grand title.

CHARLES ENYEART ACCEPES POSITION AT URBANA

Charles Enyeart, who has been employed by Floyd Carver at the Motor Inn Garage for the past several months has now accepted a position with Hauptert and Wolfe at Urbana, Indiana, as salesman for the Chevrolet automobile. He will have Wabash county for his territory. Mr. Enyeart, we are glad to say, will still remain in Mentone at least for a while.

A PLEASANT SURPRISE

Forty-five friends and neighbors pleasantly surprised Mr. and Mrs. Mack Hainbaugh on last Wednesday evening by bringing sugar and making fudge and taffy. The evening was spent in piano and vocal music, eating and visiting. A social good time was enjoyed by all present and all stayed until a late hour returning home sweeter than they came.

The little son of Mr. and Mrs. Wade Whetstone is sick.

Mrs. Clinton Walburn has been having the grippe.

Mrs. Bert Whetstone is reported on the sick list.

Mrs. I. K. Smith is reported on the sick list.

Rosella and Julia Ann Busenburg, who have been sick are improving.

The Wm Desmer family have all had an attack of the flu but are now better.

Miss Gaynelle Enyeart is out of school this week on the account of sickness.

Mrs. Alva Shunk, who underwent an operation at Fort Wayne, returned home Monday and is now getting along very well.

Mrs. Susan D. Forst who has been passing the winter with her sister, Mrs. Sara Westlake, in Columbus, Ohio, is recovering from a very serious attack of Influenza and Pneumonia.

Issac Sarber, who underwent an operation at the McDonald hospital in Warsaw a couple week ago, returned to his home in Mentone Tuesday and is now feeling fine, but will be in bed for a few days yet.

C. F. Fleck, who has been confined to his home for the past few weeks, contracted inflammatory rheumatism caused by bad tonsils, and on Tuesday was taken to the McDonald hospital at Warsaw where his tonsils were removed. He is reported getting along very nicely.

ROYAL NEIGHBORS.

There will be a pot luck supper at the hall Saturday night, February 17th. All are requested to come and bring one thing as has been the usual custom, also bring your plate, knife and fork and cup. Be sure and come for you know the good time we always have at these gatherings. Oracle.

MISS THAIS GREULACH ENTERTAINS BE NATURAL CLASS

The "Be Natural" Class of the Methodist Sunday School met last evening (Wednesday) with Miss Thais Greulach at her home on east Main Street, for their regular class social and monthly meeting. About fifteen members responded to her invitations, and regrets were received from a few who could not attend on account of sickness. The evening was spent in contests, games, and music on the Edison. The valentine spirit was carried out in the contests, and after a fine lunch of Angels Food Cake, Ice Cream and Cocoa was served by Miss Greulach and her helper, Miss Pauline Workman, all left for their homes thanking them for the splendid time enjoyed together.

MASONS ENTERTAINED

The Masonic Lodge of Mentone met last Monday evening and conferred the third degree. About sixteen members of the Bourbon Lodge were present and enjoyed the evening with their Mentone brothers. The Mentone ladies provided the supper of the evening which was greatly enjoyed. The evening was spent in a pleasant and interesting manner, and if you failed to be present you have something to regret.

OBITUARY

DAVID H. FAWLEY

David Harmon Fawley, son of George W. and Arthissa Fawley, was born near Mentone, June 29, 1867, and passed away in the home of his brother, A. O. Fawley of Pierceton, Indiana, Feb. 6, 1923. He was Baptized into the Grace Brethren Church of Milford, Ind., a number of years ago and remained a consistent and faithful member ever after.

He leaves to mourn his departure four brothers, Edward of Knox, William of Warsaw, Jehu of Clarksville, Michigan, and Andrew of Pierceton, five sisters, Mrs. Mattie Lung of Syracuse, Mrs. Loretta Horn of Ft. Wayne, Loretta Bartee of Lima, Ohio, Eldora Gurt of Atwood and Lizzie Burkholder of Wabash.

He spent about 30 years in and around Milford, Indiana where he made a host of friends who mourn their loss. Funeral by the writer, Rev. J. W. Powers, of Milford assisted by Rev. P. O. Duhon, pastor of the Baptist church of Mentone where the remains were laid to rest in the Mentone Cemetery.

CARD OF THANKS

We wish to thank the neighbors and friends for their kindness and assistance during the death and burial of our loved one, David Harmon Fawley.

FROM L. W. DUNLAP

Bartlett, Kansas, Feb. 12, 23
Editor Gazette:

I note in the columns of the Gazette you solicit letters from absent subscribers, and wondering if any of the friends at Mentone would like to see a few lines from "Uncle Fuller" I venture a short letter.

After leaving Mentone Nov. 10th, I spent a pleasant four weeks at Kansas City, arriving here Dec 29th. Have spent much of my time here since arriving at this place but have visited friends at Altamont, Cheryvale, Independence, Elk City, Longton, Coffeyville and Valeda.

I've had a wonderful winter with scarcely any cold, just once I believe 10 above Zero and no snow at that time, we have had about 2 inches of snow I think and not more than one inch of rainfall since my stay here. Farmers are plowing all the winter and in fact many are entirely through with their plowing for the spring corn crop. Much has been sowed in the last two weeks and farmers are getting ready for an early spring. I never saw a flake of snow until Feb. 7th, and was just wondering why people did not come to Kansas instead of going to Florida.

I find very much improvement in the country in the sixteen years since I was here, more in the public roads than in farm improvements.

Farmers seem to be in a fair condition of thrift and judging by the way my friends are feeding me there is little question but there is in Kansas enough and to spare, no need for going hungry.

In my visit over the country I find wheat looking real well, especially this is true in Oklahoma where I have been and in Montgomery and Elk Counties in Kansas, wheat looks wonderful strong not withstanding it is being pastured with all the stock of the farms even to the geese. With a fair amount of rainfall Kansas and Oklahoma will furnish some surprises this year. I am certainly enjoying my winter stay here but hope to get back to the bushes before the sugar trees dry up for good.

BOWERS Colony Brooder

More Chicks—Less Cost
This brooder has chick-saver and a money maker. It raises more and better chicks, at less cost than other brooders. Saves space in the world to hold five-sixths and sells more. It keeps soft coal—the cheapest brooder fuel—perfectly. Cuts fuel costs in half. Saves oil, also burns hard coal, wood, coke, etc. Replicates maintains even heat night and day. No trouble. Space for 500 or 1000 chicks.

IN THE CHURCHES

METHODIST CHURCH

The great apostle said "I am not ashamed of the gospel; for it is the power of God unto salvation to every one that believeth." Among the many things that are in need of in these eventful days is the old gospel of redemption love and brotherliness. We need an ever growing relish for public worship. It seems to be a dangerous business to be strong in purse and power unless we are strong in soul. Next Sunday the Supt. of the Cradle Roll will feature some special exercises for her department. The Subject for the morning sermon will be "The Solitary Deity." The evening subject will be "A Sabbath in Nazareth." Prayer meeting Thursday evening at 7:00. Everybody is invited.

WITH THE SICK

Some one sick in almost every home.

Mrs. Frank Laird is confined to her home the past several days.

Mr. and Mrs. James Hudson are reported on the sick list.

W. A. Warner who drives the Standard Oil Truck was confined to his home last week.

Henry Batz who lives west of town is reported on the sick list.

Mrs. Henry Morgan has been under the doctors care for the past week.

Isaac Sarber is getting along very fine following his operation and will soon be able to be out again.

Mrs. Anna Manwaring has been confined to her home for the past few weeks but is slowly improving.

Mrs. Marie Lee is confined to her home with the gripe. Mrs. Helen Enyart is taking care of her.

Irvin Nelson is now able to be at his post of duty at the bank following his recent illness. We are all glad to see him out again.

Carlin Myers, Jr., underwent an operation for removal of tonsils at Warsaw last Saturday. He came home Sunday and is now feeling pretty good.

Mrs. Rug Dunlap, Mrs. Ruth Ernberger, Mrs. Mahlon Mentzer and Mrs. C. G. Carter, were all on the sick list the past few days but are all better now.

C. F. Fleck, who has been confined to his home for the past several weeks is now able to be down town. Chris has had a severe attack, but is now getting along fine.

SOCIAL EVENTS

WEIRICK-DARR

Miss Helen Darr, daughter of Mr. and Mrs. Blanche Darr, and Raymond Weirick, son of Mr. and William Weirick, were united in marriage Saturday evening, February 17, 1923, at the Methodist parsonage in Mentone by Rev. C. B. Sweeney, pastor of the Methodist Church. This young couple is well known in and around Mentone and both have a host of friends who are ready to speak a good word in their behalf. They are spending a week's "honeymoon" with friends and relatives at Kendallville, South Bend and points in Michigan. They will be at home to their friends on the farm three miles west of Mentone after the first of March. We extend congratulations and best wishes.

BIRTHDAY PARTY

Last Friday Mr. and Mrs. Geo. Mollenhour were host and hostess to a six o'clock dinner in honor of George's birthday. The table was decorated with a cake with candles.

Those present were Mr. and Mrs. C. B. Cole and two sons, Charles and Robert; Mr. and Mrs. M. O. Smith and son Donald James; Mr. and Mrs. Floyd Tucker and Mr. and Mrs. George Myers. On account of sickness others who were invited could not be present.

WEDDING ANNIVERSARY

Last Sunday being Mr. and Mrs. George Mills' wedding anniversary, Mr. and Mrs. Henry Morgan invited them over to her house where Mrs. Mills prepared a fine chicken dinner, which was enjoyed by all. Mrs. Catherine Brown was also a guest.

CONFERENCE AT KOKOMO

The Northern Indiana Methodist conference will be held in Kokomo the week beginning April 3. Elaborate plans are being made for the entertainment of those who attend the conference. A new feature of the conference will be the introduction of a boys' conference for youths between the ages of sixteen and twenty years.

E. P. Snyder, who has been sick, was taken to the hospital at Warsaw, where he is taking treatment. His condition remains about the same.

Rev. P. O. Duncan, pastor of the Baptist Church, is unable to look after duties on account of illness.

DEATH COMES AND CALLS MRS. JOE BYBEE

PASSED AWAY WEDNESDAY AFTER A LINGERING ILLNESS

OBITUARY

Lydia C. Bybee was a daughter of Conrad and Sarah Haimbaugh and was born in Fairfield County, Ohio, March 4, 1855, and passed away at her home in Mentone Wednesday, February 21, 1923, as a result of paralysis.

Her parents moved to Kosciusko County, Ind., when she was about 6 years of age. In 1864, the family moved to Fulton County where she resided continuously until about two years ago, except for a period of three years, spent in Colorado, for the benefit of her son's health.

She has been a member of the Baptist Church since 17 years of age and was always a most faithful and ardent worker in all church activities.

In 1872 she was united in marriage with Joseph Bybee, and to them were born two children; a daughter who died in infancy and a son Rudy who preceded her to the beyond fourteen years ago.

She leaves surviving: her husband, Joseph Bybee, two granddaughters, Mildred and Emma Bybee, Mrs. Rudy Bybee and seven brothers and sisters: Susan Townsend, Henry J. Haimbaugh and Thomas Haimbaugh of Mentone; Mahlon E. Haimbaugh of Denver, Colorado; Dora B. Gerst of Albany, New York; John E. Haimbaugh and Lennie Rogers, of Rochester.

The funeral services will be held Friday afternoon, February 23rd at 2:00 o'clock from the Mentone Baptist Church.

GERALD ENYEART WINS

GOLD BASKET BALL

Gerald Enyart, who played forward for the Mentone high school won honor to his name at the county high school basketball meet at Pierceton last Friday and Saturday, when he was awarded a gold miniature basketball. The selection of Enyart for the prize was made on account of his fast and remarkable playing, and his almost faultless course throughout the meet, and we are glad that his ever ready and pleasant smile had some influence over the judges. What a pity more of us could not develop a similar smile. Gerald played with the Roann team last year before moving to Mentone.

MRS. ADDA COLE DIES AT NASHVILLE, TENN.

REMAINS BROUGHT BACK TO MENTONE FOR BURIAL

Mrs. Addie Cole passed away last Saturday, February 17th, at the home of her daughter, Mrs. Lois Shelton, at Nashville, Tennessee. Mrs. Cole was the mother of C. B. Cole of Mentone and the remains were brought back to the home of her son in Mentone and the funeral was held Wednesday at the Mentone Baptist Church. Mrs. Cole was a former resident of this vicinity until about fifteen years ago when she moved to Nashville to live with her daughter where she has since made her home. Besides the above mentioned son and daughter she is survived by another son, J. C. Cole of Mendon, Ohio. The obituary will be published next week.

LOOK AT THE LABEL

ON YOUR PAPER

We have now succeeded in getting the label on each of our papers and from now on you will know when your time is paid to, if you will only take a look at the label opposite the name. Some will perhaps be surprised to know that they are so far in arrears and we think this one of the best ways to let them know when they are paid to. We ask all our subscribers to pay attention to these labels and if your subscription is not paid in advance please come in and settle. One subscription does not amount to a great sum but with several hundred it makes quite an item, and we don't hesitate to tell you that we need the money. If you don't care for the paper longer we will appreciate it very much if you will notify us, and should your time be overdue and if you have been getting the paper we expect a full settlement when the paper is stopped. We have been having some trouble about subscribers not getting their paper regular and we hope with this new way of mailing that this trouble will also be over. Again we say, look at the label and if your subscription has expired please renew at once, or notify us to stop the paper. We cannot, and do not care to send the paper to any who do not intend to pay for it.

MISSIONARY MEETING.

The Woman's Foreign Missionary Society of the Methodist Church will meet Friday afternoon, February 23, at the home of Mrs. James Lackey.

LAND FOR RENT—All or Part of 80 acres of bluegrass pasture land to be plowed for corn. Located 5 miles south of Mentone on the Mentone Akron road, also along the interurban. Will rent on share. Write to M. L. Barret % Akron Exchange State Bank Akron, Indiana.

If you fall to get your paper we will appreciate it very much if you will notify us. We want every subscriber to get their paper and we are doing our best to get it to them.

DEATHS

MR. AND MRS. BEN MATTINGLY KILLED BY TRAIN

Benjamin Mattingly and wife were instantly killed, Sunday, shortly after noon, when the car in which they were riding was struck by a fast B. & O. train on a grade crossing, north of Bourbon and west of Nappanee. Just how the accident happened is not known. The Mattinglys were riding in a curtained car. It is believed that these buttoned-down curtains kept them from seeing the approach of the train until they were upon the track, and that becoming excited, Mattingly killed his engine. Anyway, the car is said to have stopped Mattingly was ground beyond recognition. His remains were picked up in a basket. Identification was made by the remains of Mrs. Mattingly. The train was stopped and the mutilated bodies of both were taken back to Nappanee where they were prepared for burial. Monday morning they were taken to the home near Bourbon. The funeral arrangements are awaiting the arrival of the children, all of whom are married and living away from home. The Mattinglys were well known farmers and lived on a farm near Bourbon. They were both about 50 years old. Members of a family living near the crossing saw the accident.

C. F. FLECK PUTTING UP ICE

A number of workmen are busy this week filling the C. F. Fleck ice house preparing for those hot days next summer. They are harvesting the ice from the lake at Palestine and are hauling it on trucks and with teams to the house in Mentone. The ice is of a very good quality and its value will be appreciated next summer.

ANOTHER CHANGE

JOE BURKET AND VERNON JONES BUY MEAT MARKET

Joe Burket and Vernon Jones have purchased the Shinn and Neff Meat Market and Mr. Jones has also purchased a half interest in the Burket Grocery and they will form partnership in the grocery and meat market and combine the two places. They are now moving the grocery stock to the room occupied by the meat market where they will operate a combined grocery and meat market.

We see no reason why this should not be a successful undertaking as most towns have a combined grocery and meat market. Mr. Jones will move to Mentone as soon as he can find a house. We understand that the room vacated by the grocery will be used by the E. T. Whetstone 5 and 10c Store.

NORTH WEBSTER WINS

COUNTY TITLE

North Webster was successful in winning the county title in the county high school meet held at Pierceton last Friday and Saturday. Mentone high school made a fine showing but lost by but a little margin in their second game on Saturday which put them out of the race. The last game on Saturday evening was played by Syracuse and North Webster, all others having dropped out one-by-one, and North Webster was successful in winning and when the game ended the score stood 17 to 14 in favor of North Webster. Syracuse lost their record this year as they won the two preceding years.

Do your Hens Lay, are they lousy, are they healthy? any of these opposite conditions removed by feeding Dr. Hess' Poultry Panacea and using Dr. Hess' Louse Powder.

It Has a Good Name.

In the yellow adobe's tongue, which
John Burroughs has poetically styled
"fawn lily," there is a twofold ap-
propriateness of name, says the American
Forestry Magazine of Washington, for
the erect leaves have well been likened
to the ears of a startled deer, while
the mottled colors, with a distinct
fawn color more or less in evidence
on the outside of the miniature yellow
tubes, easily suggest the name.

Gallean.

The gallean was originally a war-
ship of three or four gun-decks. The
name was subsequently applied to the
Spanish treasure ships which brought
from the Spanish possessions in Mex-
ico and South America gold and silver
and other wealth to Spain. They were
large, unwieldy vessels, and were
eagerly sought after as prizes during
the times of war on account of the
immense wealth they contained.

THE NEWS

"More and Better
Stories!"THAT was the idea we had when
we started to make "The News"
Magazine, and we have lived up to
it. Every month there are from a dozen
to fifteen complete short stories by such
writers as O. Henry, Ray, Cohen, Abbott,
Abraham, Henry Leverage, Thomas
Sullivan, Harry Wilson and Edmund W.
Sullivan. All of these are regular con-
tributors to America's leading short-
story magazine.But don't take our word for it. We
want you to know "The News" for
yourself, and as a special inducement
we are making the following offer:
"The News" is published for a
copy of \$1.00 a year, but to give you a
chance to get acquainted with it, we
will send you a quarter for the first
month absolutely free. If you like it,
we will send you the rest of the year
for the price you paid for the first
month. This offer is for a limited
time only. The post office will not
allow us to make it indefinite. Act
today. Send us 25c. in coin or stamps,
and receive the worth of magazines.
Readers' Publishing Corporation
709 Broadway, New York City, N. Y.FARMERS GAIN BY
STOCKYARDS WARSlash in Selling Charges Means
\$500,000 Yearly to
Producers.

PRESENT RATES TOO HIGH

Progressive Live Stock Company
Makes 40 Per Cent Reduction
After Exchange Fails to
Act on Protest.Chicago.—A saving to the agricul-
tural interests of the United States of
half a million dollars each year may
be the outcome of a rate war which
broke out among commission men in
the stockyards here with the an-
nouncement by the Progressive Live
Stock Company of a 40 per cent re-
duction in their charges for handling live
stock in carload lots.The Progressive Company took the
bull by the horns after a committee
named by the Live Stock Exchange
several weeks ago to consider the
question of a reduction had failed to
act. The appointment of the com-
mittee followed protests from every
section of the country against the
high charges for selling live stock. At
the time the committee was named
it was freely predicted that the mat-
ter would die in the committee, and
its failure to make a report has an-
gered many of the commission men
who fought for its appointment.The farmer is paying nearly five
times as much to commission men as
he did during the war, in proportion
to what he gets for his live stock,
according to a statement issued by
John Burke of the Progressive Com-
pany, composed of veteran dealers at
the yards."Before and during the war a car-
load of hogs worth \$3,500 was sold
for \$12," said Mr. Burke. "The pre-
sent price of hogs is about 33 1-3 per
cent of their wartime value, but the
commission on a carload of hogs now
worth about \$1,300 is \$16 and \$18.
Commissions for selling cattle show
the same rising in excess. The
farmer could have paid the higher
charges during the war, but now
every dollar he can save on the ex-
pense of marketing his live stock will
help him in his fight to get back on
a sound financial basis.""Another charge we have decided
to eliminate is the \$2 a car for pro-
cessing, made when two or more com-
missioners have live stock in the same
car. Under the old rates an extra
charge of \$2 was made for dividing
the proceeds of the sale among the
commissioners. This is a mere matter of
bookkeeping and the commission man
should absorb this charge.""Protests against these high rates
have been pouring into the Live Stock
Exchange for months, and became so
strong that a committee was appoint-
ed to consider a revision downward.
Together with many other commission
men who feel that the rates are too
high, we have taken the lead in an
effort to get the commission charges
down to a basis fair to the farmer,
who must also pay heavy freight and
feed charges.""Practically every car of stock sent
to the Chicago yards is consigned to
some commission firm, the percentage
consigned direct to the packers or
Eastern shippers being almost neg-
ligible."

Turning to her mother, she remarked: "Couldn't you park me here while you and aunt do the rest of your shopping?"

Why Birds Never Fall.
Birds cannot open the foot when the leg is bent; that is the reason they do not fall off their perches when asleep. If you watch a hen walking you will notice that if it crosses its toes as it raises the foot and opens them when it touches the ground.

Where Rain Never Falls.
It is believed that the driest place in the world is that part of Egypt between the two lower falls of the Nile. Rain has never been known to fall there.

The Oldest Man in the World

Just part of a skull, two molar teeth and a thigh bone! Pieced together they made—what? One of the most perplexing mysteries in the study of human history.

Were these the remains of an ape-like man who lived 500,000 years ago? Scientists believe that they were; they call him the "Dawn Man," and out of the record embedded in the rocks they have reconstructed the conditions of his life. How he killed his food and tore the raw flesh from the bones; how he married and fought and died! How little by little he clawed and clutched his way up to mastery over the beasts. It is a fascinating, gripping story, but it is only one of a thousand stories that stir your blood in this greatest book of modern times.

H. G. WELLS' "Outline of History"

Now Offered You at One-Third the Original Price

A history that runs back 100,000,000 years—that traces man's roots back to the dawn of time—that follows the development of the human race from the first ape-like creature to the modern man of today. It is the most complete and authoritative history ever written. It is the only one that gives ALL history as one story—that is Wells'.

Not only the history of the world, but the science of the world; the outline of the future of the world; the philosophy of the world—this is Wells' history. It is the only one that gives you the most complete and authoritative history ever written. It is the only one that gives ALL history as one story—that is Wells'.

Health Found in Sun's Rays. Sun-glare has its influence on health resorts in Europe. In France, medical specialists have recommended the resorts of Brittany and Normandy for a long time instead of the hot and glassy sands of the southern coasts. This is the choice especially for children and for persons over fifty whose sight is growing dim. Less attention has been given to the matter in England, but preference for places on the east and west coasts instead of in the south is growing for people with weak eyes.

Pronunciation of Z. The pronunciation of the letter Z as we see in an Anacronym. The English pronunciation is not from the old French zede, which in turn is derived from the Latin zeta, the name of the sixth letter of the Greek alphabet, corresponding to the English zed. Shakespeare in King Lear, act II, scene 2, gives the English pronunciation, which is still in vogue: "Zed! thou unnecessary letter."

ASBESTOS. The earliest use of asbestos was for spinning and weaving, to make incombustible thread and yarn rope and cloth, and this has continued to be the most important use of asbestos ever since the days of the Greeks and Romans. Only the best grades can be used for this purpose, according to the United States geological survey, department of the interior. Thread can now be spun so fine that it will run about 32,000 feet to the pound.

Only One "Come Back." It is safe to say that no President was ever otherwise than sorry to leave the White House—a remark which, of course, does not apply to Washington, inasmuch as he never occupied the mansion. Five men—Van Buren, Fillmore, Grant, Cleveland and Roosevelt—were hard to get back. Of these Cleveland alone succeeded.

Requires Careful Handling. Just Tankins says that when money ma' in the mare go, it takes a pretty smart driver sometimes to prevent a smashup.

Strange Beliefs. Every now and then one runs across some one who believes everybody has a right to his own opinions.—Tobias Blade.
