**DON WHITE HOME**, Administration Blvd., Winona Lake, was built by a tea merchant named Bruning between 1904 and 1906 for a girl he hoped to marry. Named Merbrink (lake's edge), the home was built as a summer cottage. The couple eventually married, but the girl died after three summers and the house was boarded up for 20 years. The Whites purchased it in 1932 and have restored it as a residence.
