

Masonic Home Day has always been observed at all Chapters in the state in November. Mentone Chapter was always generous in its contribution to the Home, sending a barrel of canned fruit and vegetables for a number of years, as well as a monetary gift. In later years only a monetary gift was sent, as Health rules prevented the Home being able to accept home canned fruits and vegetables.

At the beginning of the year 1930, the office of Associate Patron was added to the list of elective officers.

On February 5, 1945 the Chapter was dark (no meeting held) due to the coal shortage.

Mentone Chapter has had the following Grand Office appointments:

Bessie Clutter	Grand Warder, 1922
Eileen Koenig	Grand Esther, 1948
Cara Lyn Tucker	District Deputy, 1870

The Chapter celebrated its 50th anniversary on April 16, 1956.

The Chapter voted to surrender its Charter in 1978 and become affiliated with Warsaw Chapter #88.
